

CLUB PRESIDENT'S HAND BOOK

INTRODUCTION

This hand book is not intended to replace any of the information that you will obtain by attending the Districts Officers School. There are however, several things that must be done within our own Club. Hopefully this Hand Book will provide you with some guidance and suggestions to make your year as Club President a rewarding one. Most of your duties and responsibilities have been laid out on a monthly basis for your year. We suggest that you review your duties at the beginning of each month.

This Hand Book has been prepared by previous Past Presidents before you. If you have any questions, please do not hesitate to contact any of them for advice or assistance.

If there are any changes required please advise Lion Dan Moore of any errors, alterations or additions to be made to this manual.

JULY

- ✓ If possible attend the International Convention. The International Convention is held in a different country each year around the world. This convention usually takes place in the country of the new incoming International President.
- ✓ Set a date to establish your clubs budget for the coming year prior to the first meeting in September. This meeting usually includes the new club Treasurer and a committee of at least 2 or three other members of your club and may include a past Treasurer(s) and current or past members of the clubs executive. It may take several meetings to establish a draft budget to present to the members during the first meeting in September. The draft copy of the budget should be in paper form and distributed to all members of the club at that meeting. The budget is then discussed and usually voted on at the second meeting of the year.
- ✓ The President usually chairs (20) regular club meetings and (12) executive meetings during their year of office. To make sure that you are well prepared you should plan an agenda of each of the (20) regular meetings to ensure that you cover all the items you wanted and

nothing gets over looked. The agenda can be a standard form type with each of the topics listed and list any visiting speakers or District Officers may be attending throughout the year.

- ✓ When a District Officer attends your club such as the District Governor, Vice District Governor, Region & Zone Chair in an official capacity it is recommended that you appoint one member of your club to introduce them to your club members on their arrival and show them where they will be setting.
