Lions Clubs International

2017-2018 INTERNATIONAL PRESIDENT

Dr. Naresh Aggarwal
Batala Smile Lions Club

Upgrading Our Service to You—as a Lion

Namaste! The divine in me salutes the divine in you. Welcome to our new century. My goal over the next 12 months is very simple—to reach a new level of service to Lions and from Lions. Before I ask you to reach a new level of service, Lionism will reach a new level of service to you.

So how can I serve our 1.4 million Lions? I cannot give everyone senior positions. I cannot give you money. I cannot meet all of you. However, I plan to touch all of your lives with the power to serve.

So let's examine every stage of one's Lionistic career and how I can help. The first stage is becoming a new member. When I became a new member 43 years ago, I suddenly felt as if I had left my hometown and become a man of the world. This year, I want every member to download our new mobile app. This will connect all our members on one global platform.

The next stage is beginning to serve. As a member of the Batala Smile Lions Club in Punjab, India, I was proud of

Lions Clubs International (cont.)

how the community began to respect me. This respect depended on the number of people I served and how many people were aware of this service. We now have a new Global Service Team. Your District GST leader will identify projects that serve the maximum number of people per dollar and per hour. They will also train Lions on how to convert a normal project into a Legacy Project via Lions branding and public relations.

The third stage is aspiring for leadership. While I enjoyed rising up the Lions' ladder, I sometimes wished that our leaders focused more on work than on long speeches. A new awards system will incentivize the efforts of Lion leaders in the right direction. We plan to reward retention of members, hence keeping the focus on you—our existing members. New awards will also be given for involving over half the club in service and for creating the most Legacy projects.

As a global leader of Lionism, I want to keep every Lion connected to Lionism. Our new Welcome Home program is an international online club for members unable to attend club meetings. Meetings and fee payments are conducted entirely online.

The last stage is now. I want to give every Lion the same goal for the next 12 months. My dream is that every Lion will serve 10 people each month. If this happens, we will serve 170 million people this year— a big increase from our current level of 100 million and a big step toward our goal of serving 200 million annually by 2020. This is the focus of all my meetings around the world.

All the best. See you as I travel around the world.

Naresh Aggarwal

We Serve! Our motto says it best...service is the reason that our global organization exists. We have had the opportunity to reflect and celebrate on our past 100 Years of Service, now it is time to look ahead to our next century of humanitarian service! As individuals we can only do so much. As we Lions, Lioness and LEOs stand together there is no limit to what we can achieve....The Power of We!

As we move forward together in our great District of A15, we will share the service model for the 21st century from Lions International focusing on the five key areas, Environment, Hunger, Vision, Diabetes and Pediatric Cancer. We encourage your Club to harness the enthusiasm as well as the desire to serve within our Youth in our LEO Clubs by engaging them in your projects as well as developing new LEO Clubs throughout the District. The power of action increases when we work together for the betterment of our communities as well as our global village! We encourage you to look within your Club to develop plans and strategies to strengthen and grow which in turn leads to more hands and more service.

DISTRICT GOVERNOR-continued

Your A15 District Leadership team is here to assist you as we look to the future. The team is here because of you and for you! Together we are strong and when we believe in each other and our Clubs, those who need our help will benefit! We encourage you to download the new **MyLion** mobile app. It is a great tool to share your Club's service projects with Lions from around the world and too gain insight for new projects. We also encourage you to benefit from the use of Occasional Volunteers that are not in your Lions Club right now (Episodic Volunteer). These volunteers will help to increase service and may become Lions sometime down the road! Our next Century of Service is here; let's share the passion for service together for the betterment of our own communities and globally as well! We Serve.....The Power Of We!

"As Our International President says - Welcome to our new century! As we embrace the future of Lions Club International and celebrate our past successes, let us continue to touch our communities and world around us. From climbing new mountains (last year's theme), we can see new horizons, more people to serve, greater challenges and opportunities. It all begins with our attitude, our willingness to take up new ways to connect - the MyLion global platform is waiting for you - our continuing quest to grow the skills and talents around us, and, most of all, our innate ability to impact positively our fellow human being. I challenge you, every member of A15, to grow in service and to keep focus on the new horizons before us."

I am a strong believer in team work and the power of "we" and as they say, "Team work makes the dream work". I am very pleased to be a part of this team heading into the next century of service. We are blessed in our district to have so many passionate and knowledgeable Lions willing to volunteer their time and energy to improve a community or to help the less fortunate anyway they can. I am sure we can all think of at least one of those "ah ha" moments where we witnessed firsthand the difference that we make when we work together as a team to accomplish a goal we would not have been able to do on our own all while having fun with other like minded individuals. I am looking forward to getting out and meeting with you and having fun while "WE SERVE".

REGION 9 CHAIR

The Lions emblem has a lion facing back, reflecting on all the amazing accomplishments of the last hundred years. The forward facing Lion stands strong anticipating the many challenges that the future holds. We Serve is the motto for this lions year. I look forward to Serving with the Cabinet and the Clubs in Region 9 to meet these Challenges.

I would encourage all Clubs in Region 9 to have Fun and learn about Lions, our Foundation, our Camps, and our History.

REGION 37 CHAIR

I look forward to a year of mentoring the zone chairs and assisting my successor for this district. I would encourage each club to continue to build on the foundation from last year, to develop new humanitarian venues/events, and use the technology resources that are available, to attract new

episodic members into your clubs. One of my personal goals this year, is to actively participate in at least one humanitarian event for each club within my region. By working together and serving in our community we will strengthen and grow each Lions club within our district

Helen Keller Fellowship

This award has been established by the Board of Directors, Lions Homes for Deaf People, to honour outstanding Lions, Lioness, and Leos throughout Multiple District "A" and deserving members of the community.

The Fellowship is of very significant design and quality to reflect the importance and honour of the occasion for which it is presented. An attractive lapel pin bearing a montage of Helen Keller is provided for each recipient. Recipients display both the award and lapel pin with pride.

To make a fellow Lion, Lioness, Leo, or a member of your community a Helen Keller Fellow, a donation of at least \$500 must be sent to Lions Homes for Deaf People. Districts may request one award for every \$1500 donated from their District in amounts less than \$500. For example, a number of clubs in a district might make smaller donations for a total of \$4800. The district would then be eligible to request three Helen Keller Fellowships to honour individuals.

This is an excellent way to honour a member of your club or citizens of your community while providing support to the projects of Lions Homes for Deaf People. The solid oak frame, red velvet background and gold lettering make this a very impressive award.

Please consider this Fellowship a suitable way to honour someone in your club or district. To order a Helen Keller Fellowship, please complete the application available on the District Web site and send it along with your cheque to:

Honourary Life Directorship of Lions Camp Dorset

In 1984 the Board of Directors initiated the Honourary Life Directorship Program as a means of providing an ongoing source of funds for Camp Dorset. A constant cash flow is needed for general funding to enable the Camp to provide the highest possible service and facilities to its patients. Any individual member of a Lions, Lioness, Leo Club or any other person or group can become an Honourary Life Director of Camp Dorset Corporation by contributing the sum of \$100.00 to Lions Camp Dorset Corporation. Lions/Lioness Clubs that achieve and maintain a 100% participation in the Directorship Program will receive a certificate and plaque acknowledging this status.

CNIB Knight of Lake Joe

The Lake Joseph Centre is one of the CNIB's most cherished programs dedicated to people of all ages who are blind, visually impaired and deaf blind.

Each summer, as many as 2,000 children, adults and seniors come to enjoy the cool waters, winding trails and campfires offered at the Centre. They learn to play basketball, swim, canoe and even water-ski. These are experiences most of us take for granted but are too often out of reach for people with serious visual impairments.

The only facility of its kind in Ontario, the Lake Joseph Centre represents much more than a tranquil summer getaway. Being able to participate in new and exciting challenges is extremely important for people who are blind, visually impaired and deaf blind. It builds their self confidence, gives them the strength and skill to face the many obstacles that block their path to independence.

During July and August, the Centre is reserved for guests who are blind, visually impaired and deaf blind. Not-for-profit groups such as senior's homes, hospitals, schools and other special interest groups are encouraged to rent the Centre during May, June and September.

The Lake Joseph Centre gives visually impaired, blind and deaf blind people the chance to experience things they've never experienced before and embrace life in a way they never thought possible.

The Lake Joseph Centre would like to thank Lions Clubs of Ontario Multiple District "A" for their dedication and support. We couldn't have done it without you. You can become a Knight of Lake Joe for a \$100.00 donation.

Honorary Lions Guardian of Camp Huronda

For a tax receipt-able donation of \$100.00 your name will be inscribed in a memorial book and displayed proudly at the Camp FOREVER. In addition you will receive a classic limited edition lapel pin and elegant certificate symbolizing your dedication and devotion towards the Camp's ongoing refurbishment and capital requirements campaign.

Camp Huronda was established in 1971, and is located on the shores of Lake Waseosa near Huntsville. Its Mission is "To provide a camping experience that fosters the life long well being of children with diabetes." The camp provides a camping program for boys and girls 8 to 15 years of age, with Type 1 diabetes. The Camp accommodates up to 90 children in each of four two-week sessions in July and August. Last year a total of 360 children experienced a summer adventure of fun, activities, new skills and health care at Camp Huronda. Unfortunately we had to turn away more than fifty children due to space limitations.

The Camp helps children share similar experiences with others, creates good habits and builds self-esteem. It is a camp where many children learn how to give themselves insulin injections for the first time as well as learn various injection sites and develop effective blood monitoring skills. Through various camp experiences, children learn how to manage their diabetes successfully, which contributes greatly to delaying and lowering the risks of complications.

Camp Huronda operations are dependent upon the support of foundations, service clubs, corporate and private donations.

The "Guardian of Camp Huronda" project was developed by the Lions at the request of the District A-12 Diabetes and Camp Huronda Chair and approved by MD "A" in order to help raise much needed dollars towards the Camp's ongoing requirement of \$50,000.00 annually for refurbishment and capital projects.

Melvin Jones Fellowship

The Melvin Jones Fellowship is recognition of a commitment to humanitarian work. (It is not an award in the tradition of Lions awards presented for specific accomplishments.) The fellowship is an honour given to individuals who contribute the equivalent of US\$1000 to LCIF, and persons for whom such donations are made by others. The fellowship is the foundation's highest honor and represents humanitarian qualities such as generosity, compassion, and concern for the less fortunate. Melvin Jones Fellows receive a lapel pin and a personalized wall plaque in honour of their commitment to helping others.

When did the fellowship originate?

Created in 1973, the fellowship is named for the founder of Lions Clubs International, Melvin Jones.

Is the fellowship for Lions only?

The fellowship is not limited to Lions clubs members. It is open to non-Lions to whom identical recognition is presented.

May the fellowship be presented posthumously?

Yes, the fellowship may be given in memory of a deceased individual. In those cases, the plaque is inscribed, "in memory of" and is presented to the individual named by the donor to receive them. (Often the plaque, pin and letter are presented to a close relative of the deceased.) When filling out the application, please provide all of the information requested for the person to whom the recognition will be presented (the family member). That information is required to prepare an appropriate letter for presentation with the plaque.

Who can contribute toward a Melvin Jones Fellowship?

Contributions can be made by individuals including non-Lions, Clubs, or Districts in one sum, or in installments of a minimum of US\$100 over a five-year period, but only individuals can receive fellowship recognition.

Is it possible to make a donation and choose the MJF recipient later?

Yes. You must tell us that the donation is to be applied toward an unnamed fellowship at the time it is sent in. Complete the yellow Melvin Jones Fellowship application (LCIF-42) or the application on the Melvin Jones Fellowship brochure (LCIF-24) available in PDF format.

Write "Melvin Jones Fellow to be named later on the cheque or bank draft".

When an individual's or group of individuals' personal donation(s) are accumulated for a club's use to select a Melvin Jones Fellowship recipient, we require documentation of the consent of the original donor(s) in writing, signed by each individual. When a club's donation(s) are accumulated for a fellowship recipient to be selected by the district, LCIF requires signed documentation of the consent of the club. Please include such documentation with the Completed MJF application that is sent to LCIF Donor & Financial Services.

With rainbow wings, the stories we sing
Are proud and true and tall.
We meet, we work, the pitfalls lurk
But all of us feel the call.

With kisses and hugs and heart-string tugs
We share our lives in good.
We cook, we sweep, we laugh, we weep
For the world and neighbourhoods.

On wings so soft, we hold aloft
The goals of A-15 ...
Good vision for all, big or small
All in a world of green.

Like moths to the light, we're drawn to the plight
Of those who need our service.
For sick or poor, we ask for more
In speeches calm or nervous!

On brilliant wings, the joy we bring
Goes to those who need it most.
In cities or towns, we smooth their frowns
From Marsville to West Coast!

With wings that soar and voices that roar
Our work should always be seen,
Far and near, we conquer their fear
As the Lions of A-15!

Inspired by PDG Lion Karen McNeight's butterflies
but dedicated to all the Lions, Lioness, Leos
and their supportive families in District A-15!

I'm glad I am a Lion
And here's some reasons why;
No job's too big, no job's too small
For a Lions Club to try

We sponsor minor baseball teams
And help the Boy Scouts too
We work to make the community
A better place for you

And somewhere there's a needy family
Whose hearts were full of despair
Has found that life's worth living
Because the Lions care

We build arenas, halls and pools
And trails for walking too
We help to keep the roadsides clean
And plant young trees for you

This Lionism reaches out
To lands beyond the sea
Yes, in every corner of the world
We serve humanity

I think we've made our place on earth
And perhaps in heaven too
For God looks down with loving care
He knows the good we do

Yes I'm glad I am a Lion
It's important so to me
This world is now "FOR SURE"
A better place to be.

The name of this Association shall be:

 The International Association of Lions Clubs

It's Motto shall be:

 We Serve

The purposes of this Association shall be:

 To organize, charter and supervise service clubs to be known as Lions clubs.

 To coordinate the activities and standardize the administration of Lions clubs.

 To create and foster a spirit of understanding among the peoples of the world.

 To promote the principles of good government and good citizenship.

 To take an active interest in the civic, cultural, social and moral welfare of the community.

 To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

 To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

 To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Mission Statement

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubts against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given. Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Official Colors

Purple and gold were chosen when the association was founded in 1917. The purple represents loyalty to country, friends, to one's self and to the integrity of mind and heart. It is the color of strength, courage and dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and commitment to mankind. Often, a dark blue is used in place of the purple.

Official Emblem

The current Lion emblem (or logo) was adopted at the 1919 convention. Today, Lions worldwide are recognized by it. It consists of a gold letter "L" on a circular purple (or blue) field. Bordering this is a circular gold area with two Lion profiles facing away from the centre. The Lions face both past and future - showing both pride of heritage and confidence in the future. The word "Lions" appears at the top, and "International" at the bottom.

Always wear your Lions emblem pin proudly. And remember, since it is a registered trademark in most countries, it may never be used for commercial or fundraising purposes without prior permission from the Legal Division at International Headquarters.

International Fellowship and Understanding

It may appear that the language barrier would make international understanding almost impossible. But international understanding and friendship (or fellowship) is a matter of spirit rather than language. Lions throughout the world communicate with one another through club activities that create and foster a spirit of understanding among the peoples of the world.
