

## GOVERNANCE RESOURCE HANDOUT

This resource handout has been prepared by your Global Leadership Team. Please report found errors or suggestions for addition to the Global Leadership Team Coordinator at [glt@a15lions.org](mailto:glt@a15lions.org).

Each Resource Handout is a collection of links to documents or other resources related to a particular focus of attention. In some cases, the same links may exist in more than one resource handout, as they may be appropriate to more than one focus. It is hoped that by bringing them together in one place, users who may be less familiar with searching the Internet or specific web sites to find documents or other resource useful to them will be more readily able to do so.

Browse the list of available resources. Click on those you wish to obtain. If you are asked to confirm that you wish to open the document, it is safe to do so.
