

District A - 15
LIONS DIRECTORY

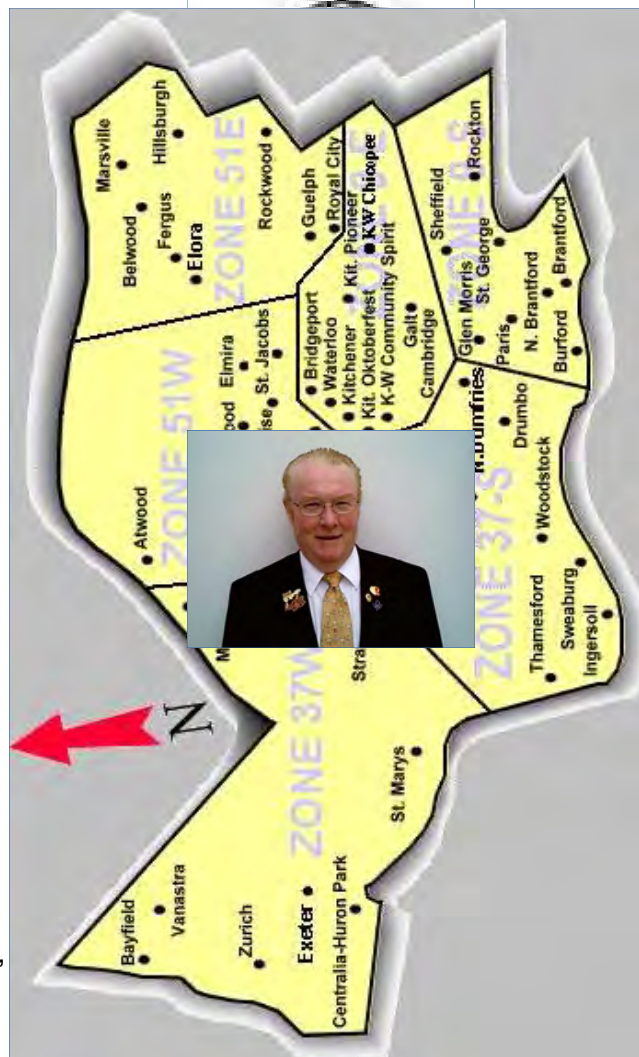

MIKE SALTER

DISTRICT GOVERNOR
2002 - 2002

“ONE WORLD ~ ONE HEART”

“BUILDING A BETTER

TOMORROW”

“O CANADA”

O Canada! Our home and native
land!
True patriot love, in all thy sons
command.
With glowing hearts we see thee
rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and
free
O Canada, we stand on guard for
thee.
O Canada, we stand on guard for
thee.

“THE STAR SPANGLED BANNER”

Oh, say, can you see, by the
dawn's early light,
What so proudly we hail'd at the
twilight's last gleaming.
Whose broad stripes and bright
stars,
Thru' the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming?
And the rockets' red glare, the
bombs bursting in air,
Gave proof thru' the night that our
flag was still there.
O say, does that star-spangled
banner yet wave
O'er the land of the free and the home of the brave?

“LIONS GRACE”

Oh Lord, thy blessing now let fall
Upon these Lions as they call
May all their ties of friendship be
Forever strengthened Lord by Thee

“LIONS PRAYER”

Where Lions meet be present, Lord
Weld all our hearts in one accord
To do thy will, Lord make us strong
To aid the weak and right the wrong. AMEN

A MESSAGE FROM YOUR GOVERNOR

One World ~ One Heart
Building a Better Tomorrow

As I begin my year as your Governor I am immediately faced with goodbyes - but with a strange juxtaposition of feelings. I must say goodbye to our exchange student visiting from Turkey and to a Lion who has passed away. But amid the sadness is a feeling of hope, hope that we the Lions, can and will continue to make a difference in a world filled with those less fortunate than ourselves. "For every door that closes ... another door opens."

International President Kay's message of "One World ~ One Heart" and "Building a Better Tomorrow" is designed to help us focus on what we do best - **We Serve**. To do that, we need more help, and that means more Lions members - more Lions Clubs. OK - so how do we do that? Over the next year we will answer that question.

PIP Judge Brian Stevenson reminded the DGE in Osaka that if we do things the way we've always done things, we'll always be what we've always been. So the old way just won't work! President Kay wants us to address the question - Do we want to stay the same as we've always been? Can we **DO** better? Can we **BE** better?

YES WE CAN, and together with Kay's new membership plan, **WE WILL!** As Helen Keller told us, "Alone we can do so little; together we can do so much."

Lions of A-15 - **Let's ROAR!**

DISTRICT CLUB DIRECTORY

Club Name **Zone** **Charter Year** **Members**

I hope that before the end of my term as your Governor we can fill this page, and a few more as well with new club listings.

Here's a short part of a message from International President Kay. "As you know, retention is a priority for me. As part of my International Program I have set a goal of each club improving retention by 50% or more. I believe that by implementing a three-part strategy of tools, Lion power and motivation we can *Build a Better Tomorrow* for our association by meeting the ambitious goals I have set for this year.

Best of luck to you as you work toward making your club stronger."

Keeping in mind the Goals that International President Kay has established for all Lions here are the goals I have set for our district ~ The Best District in all of Lionism!

1. The Lions of A15 will **ROAR!**
2. 100% Presidents 100% Secretaries - 26 Clubs
3. New Clubs 2 Lions Clubs
 2 Branch Clubs
 1 Leos Club
4. Membership Each Club +1

All that equals over 1350 PROUD LIONS!!!!

Lions Code Of Ethics

Individual members of Lions Clubs are guided by a Code of Ethics which, with only minor changes, has stood the test of time since its adoption by the International Convention of 1918.

1. **To show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
2. **To seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
3. **To remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
4. **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
5. **To hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
6. **Always** to bear in mind my obligations as a citizen of my country, my province and my community and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labour, and means.
7. **To aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
8. **To be careful** with my criticism and liberal with my praise; to build up and not destroy.
