Lions Clubs International

2016-17 INTERNATIONAL PRESIDENT

**Robert "Bob" E. Corlew
Murfreesboro Noon Lions Club**

2017 Party Train Gathers Steam

Kathy Singleton recently emailed Lions Clubs International. When she was a first-grader in Springfield, Missouri, the Lions club bought her first pair of glasses. "I still remember the joy I felt when I was able to distinguish that trees had individual leaves. It excited my heart to learn to see the world in its infinite beauty," she eloquently wrote us. "I pray y'all continue blessing many other kids like y'all did me."

Yes, Ms. Singleton, for the next 100 years, we will keep on helping children as well as adults as we have for the past century. In our Centennial year, we want to honor and remember the past as well as move our great Association forward.

During our long history Lions not only reached out to individuals but also often impacted entire communities. After an earthquake and tsunami devastated Afognak, Alaska, in 1964, Lions built a

Lions Clubs International (cont.)

new town for residents. Five years earlier in the tinder-dry cattle country of Texas, their town regularly threatened by prairie fires, Leakey Lions started a fire brigade including a fire truck. Long ago in 1925, alarmed by the inadequacy of schools, York Lions in Pennsylvania began a well-stocked circulating library. The pages of the LION from the last century are filled with tens of thousands of such examples of life-changing and often life-preserving service.

Our Centennial service goal is to serve at least 100 million people by June 2018. We are on pace to shatter that goal. Please have your club “join the party.” Celebrate the Centennial in other ways, too, by inviting family and friends to serve with you and by planning a Legacy Project in your community. Find out how to participate at Lions100.org.

I am honored to serve as your Centennial president. I hope you are just as thrilled to be a Lion at this special moment in our grand history. The service we do today will echo down the decades as we invariably strengthen our Association and leave Lions Clubs in better shape than ever for generations to come.

Chancellor Bob Corlew

At a time when community resources are strained to the breaking point, Lions everywhere have come together to stand in the gap. This is where we really shine. We adopt highways. We feed the hungry. We plant trees. We build parks, trails and playgrounds. We invest in our youth, providing leadership opportunities and helping to eliminate bullying. We support and raise dollars for hospitals, seniors' homes, arenas, and recreational complexes. We provide service dogs. We make a real difference in our communities and around the world, both past, present and into the future. Yes, Lions have a lot of accomplishments over the last 100 years.

In order to look to the future though, we should learn from our past. Not just the successes, but also the failures. We need to build on our past accomplishments and continue to improve, preparing each new generation of Lions to meet the challenges. What we do or don't do today will affect the future, even if we do nothing. We need to decide what kind of future we want to pursue and plan accordingly.

Mahatma Ghandi said, "Be the change you want to see in the world."

As we celebrate 100 years of service, I challenge you to work together to continue the legacy of working to improve our environment, helping our youth achieve their potential, fighting hunger and to continue the struggle to rid the world of vision threats as we remain Hellen Keller's "Knights of the Blind".

Environment - Youth - Hunger - Vision

It is indeed an exciting time to be a Lion. As we join Lions around the world to celebrate 100 years of Lions service let's also celebrate our great District A15 achievements such as growing by 5 Clubs in 5 years, we have experienced positive membership growth this past year, many of our Clubs have taken on new service projects as well we have developed 2 new District Service committees! As we Lions prepare for our second century of humanitarian service around the world as well as in our very own communities, let's not forget to care for one another in our own Lions families. We are all in Lions Service together & it is vital that we encourage & support our own Club members. I believe that when we Lions work together, share ideas, successes and challenges, our Clubs become stronger. This, in turn, keeps our District strong with leadership and commitment to service as well as to our A15 Lions family.

Continued

1st VICE DISTRICT GOVERNOR-continued

Our International President's theme is "New Mountains to Climb" which asks our Lions to strive to "Reach The Summit Of Service", "Build Our Team by Inviting for Impact", "Connect with our Communities" to "Lead Us Over The Next Mountain"! For me each new Lions year brings new opportunities and this coming year brings a celebration of 100 Years of Service! I look forward to serving with you as you celebrate your Club's achievements. Each and every one of you are so important to the success of this great humanitarian service organization! I am here to serve you in whatever capacity I am able. What a milestone that we have to celebrate in our Centennial Year! Roar Lions!

Lion V. Charlene (Char) Teasdale

VDG1 A15

"If you think in terms of a year, plant a seed; if in terms of ten years, plant trees; if in terms of 100 years, teach the people." - Confucius

2nd VICE DISTRICT GOVERNOR

Kevin Banfield (Jennifer)
930 Atlantic Blvd.
Waterloo, ON N2K 4L5
L.C. of Kitchener
(C) 519-501-3014
vdg2@a15lions.org

“New Mountains to Climb” – Our International President's theme for this coming year rings very true. We are about to embrace the future of Lions Club International, while celebrating our past success. As an organization we have come far in our 100 years of service to our fellow man, yet, there is so much more we can achieve as a club, a district, and within Lions International. I want to challenge each Lion of District A-15 to think about this theme, and to reflect about your personal attitude within your club and yourself. Personally, I believe that attitude is the first building block in overcoming any challenge we may have today, or will have tomorrow. If we take a look at the skills and talents that surround us, it may be that these perceived road blocks would then become opportunities. We as a group should then be able to move those mountains all the while adding value to our great organization. It is important that we remind ourselves always that “We Serve” our communities and the world around us.

Lion Kevin Banfield
VDG2 A15

REGION 9 CHAIR

Member of the Region 9 Lions Club. I strongly believe that many hands make light work, with this year's theme "Mountains to Climb" When Lions put there mind to it we could just move it out of the way. I am looking forward to serving the District this year and encourage members to talk about all the good that Lions do and don't forget to ask members of the community to come out to an event or a meeting and sample for themselves the good work that Lions do

every day around the world.

Yours in Lionism

RC Lion Bill Robinson

REGION 37 CHAIR

For Region 37, I would like to be there to support every club. The International President's theme "New Mountains to Climb", is a great way to start looking forward to helping clubs in our district to climb those mountains and accomplish their dreams of getting to the top!! I look forward to serving again on Cabinet in District A-15.

RC Lion Tracey Leary

REGION 51 CHAIR

WOW! What an exciting year this promises to be. 100 years of Lionism: 100 years of service. If we sit back and think about it, how many peoples' lives have been impacted by our works? Did we provide glasses to a child who was struggling? Did we make a family's Christmas better with a gift hamper? Or did we provide a walker for a senior? We help all people through all walks of life.

Let me remind you all that our Centennial Challenge is in full swing. I know all of our

clubs have been involved in the four areas of service: Engaging our Youth, Protecting the Environment, Sharing the Vision, and Relieving the Hunger. In order to log your hours and earn your patches remind your club secretary to add them to your club's activity log.

Have a great year everyone!
