Lions Clubs International

My Presidential Theme Accomplished people from around the world have led our great association in its over 100-year history. While each international president brings their unique perspective and expertise to Lions Clubs International, there has (and always will be) a single constant that unites all Lions: service. With this as a guide, each president is committed to helping clubs increase their service, and as a result, their impact on our local and global communities.

My Presidential Motto Diversity Bridges All Divides Creating Harmony Through Service
With International President, Dr. Jung-Yul Choi

As you know, I love to play baseball. So my theme this upcoming year is TEAM.

**Together Everyone Achieves
More**

I feel that if we work together as a group and a team, we will achieve more for a common cause. Our cause is to empower our clubs in the district

to serve their communities, meet the humanitarian needs, encourage them to look outside the box for ideas and promote the understanding of our great association. Every member in our district is a part of the team. No member is more important than another. Every single person matters on a team.

Communication is important on a team. We all must work together to achieve our goals, as a district or a club.

Just like in a ball game, you communicate to one another. You're on the field, the ball is hit to the outfield. There is always a person designated to tell you where the play is at. The person in the outfield throws the ball, it gets relayed to the next person and you get the out!! What a great feeling when you work as a team.

We can win this game, through service and teamwork!!!

We still have Campaign 100, for the next 2 years. Still looking to raise 300 Million US dollars by the end of that term. Personal, as well as club donations can be made online now or through the district by cheque. We also have Diabetes, as the Pillar of choice for the next 2 years. The clubs can donate through LCIF for diabetes, same as last year. When they donate, it can be used towards a Melvin Jones Fellowship. If you need forms, Peter does have some available, I'm sure, if not they are available on our website. Make sure they are aware to use the Canadian form for tax deduction.

I would like to focus on our committees this year as well. There are some that are not receiving the funding needed to provide the service. Our committees are very important. They are out in the community promoting Lions and getting those involved. We are very fortunate to have

these individuals commit a lot of time and effort in making sure that these programs run and continue to have participants.

Our incoming International President will be Dr. Jung-Yul Choi from Korea. His theme is Diversity. Diversity through service, clubs and members. Specialty clubs, branch clubs, and different ideas of promoting service. Doing or trying new service ideas. Not just collection of food or clothing, raising money for a new park, but helping fix housing for the elderly, visiting children in the hospitals. Find new ways and diversify the thinking of what service really means. If we are helping others in need, we are doing our humanitarian service.

Of course, Membership, Service, retention and finding new leaders are always on our team agenda.

One last comment, life is too short, we must try to enjoy it. You don't know what tomorrow will bring. Life changes everyday. The things we stress about and argue over cannot be that bad, compared to someone in need.

I look forward to serving as your 1st Vice District Governor in the upcoming year, as part of the Executive team, with Tracy as our District Governor.

I would like to congratulate, and say thank you, to all the clubs that have added new members for the past year. Now is the time to encourage new members to bring forth their new ideas, mentor, and make the necessary changes within our clubs, to make them feel that they are a valuable part of our organization.

I look forward to visiting the various Lions Clubs in our District, and where possible, participating with you at your community service activities.

Let's continue to work together to serve our communities and bring awareness to our Lions International Organization.

Professional football coach Vince Lombardi said, "Build for your team a feeling of oneness, of dependence upon one another and of strength to be derived by unity".

Lions International's goal to improve the lives of all citizens through service is a novel and onerous task but 1.4 million of the World's citizens have lined to take up this cause.

District Governor Tracey's team building theme challenges all our Lions Clubs to make growing together our focus in order to maintain Lions strength as a service club.

One of our strategies is to continue to enlarge our membership, to invite new people to join our clubs so that they might enjoy the camaraderie while serving the Community.

Also, maintaining our membership is as necessary to the life of our clubs as growing our membership is.

To achieve this aim, I think we can refer to the words of coach Knute Rockne "...we must try to make every player on the team feel he's / she's the spark keeping our machine in motion. On him or her depends our success".

Our membership roster is a noble and challenging focus for all our A - 15 Clubs in 2019/20

Helen Keller Fellowship

This award has been established by the Board of Directors, Lions Homes for Deaf People, to honour outstanding Lions, Lioness, and Leos throughout Multiple District "A" and deserving members of the community.

The Fellowship is of very significant design and quality to reflect the importance and honour of the occasion for which it is presented. An attractive lapel pin bearing a montage of Helen Keller is provided for each recipient. Recipients display both the award and lapel pin with pride.

To make a fellow Lion, Lioness, Leo, or a member of your community a Helen Keller Fellow, a donation of at least \$500 must be sent to Lions Homes for Deaf People. Districts may request one award for every \$1500 donated from their District in amounts less than \$500. For example, a number of clubs in a district might make smaller donations for a total of \$4800. The district would then be eligible to request three Helen Keller Fellowships to honour individuals.

This is an excellent way to honour a member of your club or citizens of your community while providing support to the projects of Lions Homes for Deaf People. The solid oak frame, red velvet background and gold lettering make this a very impressive award.

Please consider this Fellowship a suitable way to honour someone in your club or district. To order a Helen Keller Fellowship, please complete the application available on the District Web site and send it along with your cheque to:

Honourary Life Directorship of Lions Camp Dorset

In 1984 the Board of Directors initiated the Honourary Life Directorship Program as a means of providing an ongoing source of funds for Camp Dorset. Any individual member of a Lions, Lioness, Leo Club or any other person or group can become an Honourary Life Director of Camp Dorset Corporation by contributing the sum of \$100.00 to Lions Camp Dorset Corporation. Lions/Lioness Clubs that achieve and maintain a 100% participation in the Directorship Program will receive a certificate and plaque acknowledging this status.

CNIB Knight of Lake Joe

The Lake Joseph Centre is one of the CNIB's most cherished programs dedicated to people of all ages who are blind, visually impaired and deaf blind.

Each summer, as many as 2,000 children, adults and seniors come to enjoy the cool waters, winding trails and campfires offered at the Centre. They learn to play basketball, swim, canoe and even water-ski. These are experiences most of us take for granted but are too often out of reach for people with serious visual impairments.

The only facility of its kind in Ontario, the Lake Joseph Centre represents much more than a tranquil summer getaway. Being able to participate in new and exciting challenges is extremely important for people who are blind, visually impaired and deaf blind. It builds their self confidence, gives them the strength and skill to face the many obstacles that block their path to independence. During July and August, the Centre is reserved for guests who are blind, visually impaired and deaf blind. Not-for-profit groups such as senior's homes, hospitals, schools and other special interest groups are encouraged to rent the Centre during May, June and September.

The Lake Joseph Centre gives visually impaired, blind and deaf blind people the chance to experience things they've never experienced before and embrace life in a way they never thought possible.

The Lake Joseph Centre would like to thank Lions Clubs of Ontario Multiple District "A" for their dedication and support. We couldn't have done it without you. You can become a Knight of Lake Joe for a \$100.00 donation.

FELLOWSHIPS

&

DIRECTORSHIPS

Melvin Jones Fellowship

The Melvin Jones Fellowship is recognition of a commitment to humanitarian work. (It is not an award in the tradition of Lions awards presented for specific accomplishments.) The fellowship is an honour given to individuals who contribute the equivalent of US\$1000 to LCIF, and persons for whom such donations are made by others. The fellowship is the foundation's highest honor and represents humanitarian qualities such as generosity, compassion, and concern for the less fortunate. Melvin Jones Fellows receive a lapel pin and a personalized wall plaque in honour of their commitment to helping others.

When did the fellowship originate?

Created in 1973, the fellowship is named for the founder of Lions Clubs International, Melvin Jones.

Is the fellowship for Lions only?

The fellowship is not limited to Lions clubs members. It is open to non-Lions to whom identical recognition is presented.

May the fellowship be presented posthumously?

Yes, the fellowship may be given in memory of a deceased individual. In those cases, the plaque is inscribed, "in memory of" and is presented to the individual named by the donor to receive them. (Often the plaque, pin and letter are presented to a close relative of the deceased.) When filling out the application, please provide all of the information requested for the person to whom the recognition will be presented (the family member). That information is required to prepare an appropriate letter for presentation with the plaque.

Who can contribute toward a Melvin Jones Fellowship? Contributions can be made by individuals including non-Lions, Clubs, or Districts in one sum, or in installments of a minimum of US\$100 over a five-year period, but only individuals can receive fellowship recognition.

Is it possible to make a donation and choose the MJF recipient later?

Yes. You must tell us that the donation is to be applied toward an unnamed fellowship at the time it is sent in. Complete the yellow Melvin Jones Fellowship application (LCIF-42) or the application on the Melvin Jones Fellowship brochure (LCIF-24) available in PDF format.

Write "Melvin Jones Fellow to be named later on the cheque or bank draft".

When an individual's or group of individuals' personal donation(s) are accumulated for a club's use to select a Melvin Jones Fellowship recipient, we require documentation of the consent of the original donor(s) in writing, signed by each individual. When a club's donation(s) are accumulated for a fellowship recipient to be selected by the district, LCIF requires signed documentation of the consent of the club. Please include such documentation with the Completed MJF application that is sent to LCIF Donor & Financial Services.

With rainbow wings, the stories we
sing

Are proud and true and tall.

We meet, we work, the pitfalls lurk

But all of us feel the call.

With kisses and hugs and heart-string
tugs

We share our lives in good.

We cook, we sweep, we laugh, we
weep

For the world and neighbourhoods.

On wings so soft, we hold aloft

The goals of A-15 ...

Good vision for all, big or small

All in a world of green.

Like moths to the light, we're drawn to
the plight

Of those who need our service.

For sick or poor, we ask for more

In speeches calm or nervous!

On brilliant wings, the joy we bring

Goes to those who need it most.

In cities or towns, we smooth their
frowns

From Marsville to West Coast!

With wings that soar and voices that
roar

Our work should always be seen,

Far and near, we conquer their fear

As the Lions of A-15!

Inspired by PDG Lion Karen
McNeight's butterflies but dedicated to
all the Lions, Lioness, Leos and their
supportive families in District A-15!

I'm glad I am a Lion
And here's some reasons why;
No job's too big, no job's too small
For a Lions Club to try
We sponsor minor baseball teams And help the
Boy Scouts too
We work to make the community
A better place for you
And somewhere there's a needy family Whose
hearts were full of despair Has found that life's
worth living
Because the Lions care
We build arenas, halls and pools
And trails for walking too

We help to keep the roadsides clean And plant
young trees for you
This Lionism reaches out
To lands beyond the sea
Yes, in every corner of the world
We serve humanity
I think we've made our place on earth And
perhaps in heaven too
For God looks down with loving care He knows
the good we do
Yes I'm glad I am a Lion
It's important so to me
This world is now "FOR SURE"
A better place to be.

CLERC accepts the following eyeglasses - Reading, Single Vision, Bifocal, Children, Safety, non-prescription Sunglasses New and Used.

Please send both plastic and metal frames. Remove eyeglass cases, loose and broken lenses or damaged lenses and frames before shipping. Pack eyeglasses in a sturdy corrugated box. Layer rows of eyeglasses with tissue paper, newspaper or styrofoam. Please avoid using shredded packing materials or Styrofoam "peanuts." Seal box with tape. Be sure label is legible and include

your return address. All glasses from Ontario and East are now shipped to Montreal.

Mission Statement

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubts against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given. Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Official Colors

Purple and gold were chosen when the association was founded in 1917. The purple represents loyalty to country, friends, to one's self and to the integrity of mind and heart. It is the color of strength, courage and dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and commitment to mankind. Often, a dark blue is used in place of the purple.

Official Emblem

The current Lion emblem (or logo) was adopted at the 1919 convention. Today, Lions worldwide are recognized by it. It consists of a gold letter “L” on a circular purple (or blue) field. Bordering this is a circular gold area with two Lion profiles facing away from the centre. The Lions face both past and future - showing both pride of heritage and confidence in the future. The word “Lions” appears at the top, and “International” at the bottom. Always wear your Lions emblem pin proudly. And remember, since it is a registered trademark in most countries, it may never be used for commercial or fundraising purposes without prior permission from the Legal Division at International Headquarters.

International Fellowship and Understanding

It may appear that the language barrier would make international understanding almost impossible. But international understanding and friendship (or fellowship) is a matter of spirit rather than language.

Lions throughout the world communicate with one another through club activities that create and foster a spirit of understanding among the peoples of the world.
