“Yesterday, Today and Tomorrow”

Good Day,

As your newly appointed District Governor, I would like to take a few moments to outline some of my goals and objectives for 2020-2021.

The District Governor Team is committed to improving the communications between the District Governor's Team and the individual Clubs. During this time of social distancing, it is important that we communicate our next action plans and work together as a team to meet the service needs within our communities. This year, each Lions Club will be assigned to one of the District Governors, to act as a liaison between the Cabinet and the Clubs. This enables us to hear feedback from your club and also have the opportunity to openly share information with you from the Cabinet.

Our A15 District will also be part of the Lions International Program called NAMI (North American Membership Initiative), where our focus will be to help clubs and zones create and execute data-supported membership plans.

Projects can be developed through environmental, multi-generational opportunities, that are made available to multiple clubs, through a partnership with the different Boards of Education and Conservation Authorities within our District. More details to follow on a proposed District environmental project in the next few months.

I am a strong believer in mentorship, so over the next few months, you will see significant effort will be put into training individuals in their specific role, and working with a mentor to learn more about Lionism and strengthen their leadership capabilities. Succession planning will also be part of our objective, as we strive to put together a 3-year plan for our District Governors and Cabinet.

Some of the clubs in our District have executed some exceptional creative and resourceful service activities during the past few months. Please make sure that you post pictures on your website, and the A15 website, Facebook and use our Bulletin as well so the other clubs can congratulate you on your successes. We may have to re-think how we are going to execute our events, but I encourage you to keep serving your communities. Keep the Lions name visible and recognized as one of the service leaders in your area.

The Lions are the community and the community is the Lions

Together we can make 2020-2021 an exciting year!

MDA FELLOWSHIPS & DIRECTORSHIPS

Helen Keller Fellowship

This award was established by the Board of Directors, Lions Homes for Deaf People, to honor outstanding Lions, Lioness, and Leos throughout Multiple District "A" and deserving members of the community. An attractive lapel pin bearing a montage of Helen Keller is provided for each recipient.

The Fellowship is of very significant design and quality to reflect the importance and honor of the occasion for which it is presented. Recipients display both the award and lapel pin with pride.

To make a fellow Lion, Lioness, Leo, or a member of your community a Helen Keller Fellow, a donation of at least \$500 must be sent to Lions Homes for Deaf People. Districts may request one award for every \$1500 donated from their District in amounts less than \$500. For example, a number of clubs in a district might make smaller donations for a total of \$4800. The district would then be eligible to request three Helen Keller Fellowships to honor individuals.

This is an excellent way to honor a member of your club or citizens of your community while providing support to the projects of Lions Homes for Deaf People. The solid oak frame, red velvet background and gold lettering make this a very impressive award.

Please consider this Fellowship a suitable way to honor someone in your club or district. To order a Helen Keller Fellowship, please complete the application available on the District Web site and send it along with your cheque to:

CNIB Knight of Lake Joe

The Lake Joseph Centre is one of the CNIB's most cherished programs dedicated to people of all ages who are blind, visually impaired and deaf blind.

Each summer, as many as 2,000 children, adults and seniors come to enjoy the cool waters, winding trails and campfires offered at the Centre. They learn to play basketball, swim, canoe and even water-ski. These are experiences most of us take for granted but are too often out of reach for people with serious visual impairments.

The only facility of its kind in Ontario, the Lake Joseph Centre represents much more than a tranquil summer getaway. Being able to participate in new and exciting challenges is extremely important for people who are blind, visually impaired and deaf blind. It builds their self confidence, gives them the strength and skill to face the many obstacles that block their path to independence.

During July and August, the Centre is reserved for guests who are blind, visually impaired and deaf blind. Not-for-profit groups such as senior's homes, hospitals, schools and other special interest groups are encouraged to rent the Centre during May, June and September.

The Lake Joseph Centre gives visually impaired, blind and deaf blind people the chance to experience things they've never experienced before and embrace life in a way they never thought possible.

The Lake Joseph Centre would like to thank Lions Clubs of Ontario Multiple District "A" for their dedication and support. We couldn't have done it without you. You can become a Knight of Lake Joe for a \$100.00 donation.

I'm glad I am a Lion
And here's some reasons why;
No job's too big, no job's too small
For a Lions Club to try

We sponsor minor baseball teams
And help the Boy Scouts too
We work to make the community
A better place for you

And somewhere there's a needy family
Whose hearts were full of despair
Has found that life's worth living
Because the Lions care

We build arenas, halls and pools
And trails for walking too
We help to keep the roadsides clean
And plant young trees for you

This Lionism reaches out
To lands beyond the sea
Yes, in every corner of the world
We serve humanity

I think we've made our place on
earth And perhaps in heaven too
For God looks down with loving care
He knows the good we do

Yes I'm glad I am a Lion
It's important so to me
This world is now "FOR SURE"
A better place to be.

YESTERDAY TODAY AND TOMORROW

There are two days in every week
about which we should not worry,
Two days which should be kept free of fear and
apprehension.

One of these days is YESTERDAY,
With its mistakes and cares,
Its faults and blunders,
Its aches and pains.
YESTERDAY has passed forever beyond our control.

All the money in the world cannot bring back
YESTERDAY.
We cannot undo a single act we performed;
We cannot erase a single word we said.
YESTERDAY is gone.

The other day we should not worry about is TOMORROW
With its possible adversities, its burdens, its larger
promise.
TOMORROW is also beyond our immediate control.

TOMORROW, the sun will rise,
Either in splendor or behind a mask of clouds,
But it will rise.
Until it does, we have no stake in TOMORROW
For it is as yet unborn.

This leaves only one day – TODAY.
Any man can fight the battles of just one day.
It is only when you and I add the burdens of those two
awful eternities
– YESTERDAY and TOMORROW –
That we break down.

It is not the experience of TODAY that drives men mad.
It is remorse or bitterness for something which happened
YESTERDAY
And the dread of what TOMORROW may bring.

Let us, therefore, live but ONE day at a time.

Lions Clubs International

The name of this Association shall be:

The International Association of Lions Clubs

It's Motto shall be:

"We Serve"

Vision Statement:

To be the global leader in community and humanitarian service.

Mission Statement

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubts against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given. Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Official Colors

Purple and gold were chosen when the association was founded in 1917. The purple represents loyalty to country, friends, to one's self and to the integrity of mind and heart. It is the color of strength, courage and dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and commitment to mankind. Often, a dark blue is used in place of the purple.

Official Emblem

The current Lion emblem (or logo) was adopted at the 1919 convention. Today, Lions worldwide are recognized by it. It consists of a gold letter "L" on a circular purple (or blue) field. Bordering this is a circular gold area with two Lion profiles facing away from the centre. The Lions face both past and future - showing both pride of heritage and confidence in the future. The word "Lions" appears at the top, and "International" at the bottom. Always wear your Lions emblem pin proudly. And remember, since it is a registered trademark in most countries, it may never be used for commercial or fundraising purposes without prior permission from the Legal Division at International Headquarters.

International Fellowship and Understanding

It may appear that the language barrier would make international understanding almost impossible. But international understanding and friendship (or fellowship) is a matter of spirit rather than language. Lions throughout the world communicate with one another through club activities that create and foster a spirit of understanding among the peoples of the world.
