Knight of Lake Joe

The Lake Joseph Centre is one of the CNIB's most cherished programs dedicated to people of all ages who are blind, visually impaired and deafblind. Each summer, as many as 2,000 children, adults and seniors come to enjoy the cool waters, winding trails and campfires offered at the Centre. They learn to play basketball, swim, canoe and even water-ski. These are experiences most of us take for granted but are too often out of reach for people with serious visual impairments.

The only facility of its kind in Ontario, the Lake Joseph Centre represents much more than a tranquil summer getaway. Being able to participate in new and exciting challenges is extremely important for people who are blind, visually impaired and deafblind. It builds their self-confidence, gives them the strength and skill to face the many obstacles that block their path to independence.

During July and August, the Centre is reserved for guests who are blind, visually impaired and deafblind. There are weeks for adults, families and weeks for children.

Not-for-profit groups such as senior's homes, hospitals, schools and other special interest groups are encouraged to rent the Centre during May, June and September.

The Lake Joseph Centre gives visually impaired, blind and deafblind people the chance to experience things they've never experienced before and embrace life in a way they never thought possible.

Special Mention

The Lake Joseph Centre would like to thank Lions Clubs of Ontario Multiple District "A" for their dedication and support.
