

## **Leaders Notes Dec 2014 / Jan 2015**

---

### *The Best of the Season to You!*

It is appropriate as Lions that during this season of giving we take the time to realize how fortunate we are to be part of this family or "Pride" of Lions that spend much of our efforts giving to our communities and those less fortunate year round. In your celebrations please share those feelings and energies you have from caring for those around us. You are making a difference in your communities and to those less fortunate around the world!

*Looking forward to 2015!*

Our Zone Chairs and Region Chairs are preparing for their meetings with you in January and February. From what they are working on it looks like you need to come prepared to share your thoughts about the successes and challenges we all face from trying to serve. I guess that should be no surprise as that is the purpose of these meetings, sharing and learning from each other.

Our convention is early this year, March 20<sup>th</sup>-22<sup>nd</sup>. It will be held in Stratford @ The Arden Park. We are hoping to celebrate what we do as Lions and involve as many of our members as we can. Please register early. <http://a15lions.org/pages/uploads/Events/2015ConventionRegistration.pdf> Please send photos of your Club at work or at play. We hope to include them as part of our celebration! And let me know if your Club has any particular talents they would like to share with us. Your involvement will add to the celebration! **I was very fortunate 6 years ago to have been encouraged to become more involved with the Lions Family of A15. I cannot begin to explain the humbling experience it has been. Meeting many caring people that are doing great things for others, all the time learning and getting to do things I would not have otherwise had the opportunity to do. It really is true that we join Lions to do things for others but at the same time it does so much for each of us. So why not during this season of giving consider giving one of the gifts that keeps on giving. Ask someone to be part of our Family for they will give and they will receive. It really is a gift! Or maybe yourself considering some new involvement with our family at the District level? You might be surprised just what kind of present that would be for us..... and for yourself!**

**All the best to You and Your Family for the Holiday Season  
and a Happy New Year!**
