

A15 Leaders Notes

November/December, 2012

Time has gone by quickly; the festive season is upon us. That means we are half way through this Lions year.

It has been my pleasure to visit and fellowship with Lions in many clubs in A15. I thank all Lions for your dedication and involvement in projects that make a difference in the lives of many in our communities..

In Memoriam: During this festive season, let us take a moment to remember former Lions who served with us and have now passed. We extend to bereaved families our sympathy for your loss. Let it be a consolation that we your friends are thinking of you.

LCI bills and Dues Payment:

Some clubs are still sending cheques directly to LCI. When LCI receives a cheque for an Ontario club they will send that check back to Toronto to the lock box where it is recorded and an electronic transfer is done. This could take an extra week or so. The proper way for our clubs in Ontario to pay bills is to send the cheque or money order to a lock box in Toronto. The address is

Lions Club International
P.O. Box 2425
Station A
Toronto Ontario
M5W 2K5.

We are now at the mid-point of our journey in this Lions year and I encourage all clubs

- **To consider applying for Club Excellence Process (CEP) if you have not done it.**
- **To continue to explore ways of growing our membership**
- **To plan on attending the upcoming orientation programs in each Region.**
- **Sponsor a candidate for office in your own club or on District Cabinet.**

Effective Speaking contests help the youth develop not only public speaking skills, but also build self-discipline and confidence. Get involved, Lions, and support District Effective Speaking activities.
