To the Lions of District A-15

A challenge, how do we make this Youth Camp Exchange the best ever? Together we can do it, "Yes we can".

Help foster "Peace and Understanding" among the young people of the world.

Please read the content of the two following pages and contact our Youth Chair Team to see how you can help.

I am happy to announce the application for the Mosborough "Busy Busy" Lions has been approved by LCI. They have 26 members. 3 members transfers from the Woolwich Community Lions and 23 new Lions. This is a Speciality Cyber Club. On line meetings and communications are their method of communicating.

Members are foster parents of the Lions Foundation of Canada Foster Puppy Program. Please join me in welcoming our newest Lions to the Pride.

I wish to thank Lions Deb Cserhalmi, Nancy Chiasson and Cheryl Bauman for their diligence and hard work. Congratulations for not only seeing a need, but also for turning this dream into a reality.

Calling All Potential Host Families!

We know that winter is here and it's hard to think forward to the summer, it will be here before we know it! On July 8 we will have the pleasure of welcoming youth from around the world to the 42nd annual Bruce Murray Lions International Youth Exchange Program. We are looking forward to another awesome experience! Our guests will be with us until August 5th, the camp runs from July 21st until August 1st.

We have received applications and letters from fourteen countries and had an opportunity to speak with youth who are excited and grateful to be coming to Canada. Here are some of those thoughts.

One is from Austria, he volunteers with the firefighters at home. He is excited because not only is he coming to Canada but also going to Chicago with his dad at the International Convention.

The young lady who is coming from France spoke to us via Skype, her smile was lighting up the room. In her letter to her host family she said "I'm so happy to have the chance to meet you and live this tremendous experience".

Our Greek youth says "... it is a chance to broaden horizons and start thinking differently. By visiting new places with different cultures we can realize how unique every civilization is".

The young lady coming from Italy is looking forward to cooking some Italian dishes for you and she thinks "... the world is a book and those who do not travel will read only one page of it!"

Hosting youth from around the world is a fantastic way to learn about various cultures. At the same time, we get to play a role in building relationships that will shape the way they will forever think and shape the world we live in. it really is an awesome opportunity!

Last year, a young man was at the camp and, referring to one of his fellow youth, he said to us “you know, typically people from my country don't like people from her country but now that I have met her, I can't to say I dislike people from that country”.

We are asking you to consider committing to being a host family. We would like to be able to accept more youth into the program but er, we need to ensure that they will have a host family to welcome them. If you have hosted in prior years and would like to host again please contact us as soon as possible. If you haven't hosted but you think you might be interested, we will provide you with the information.

We are asking you to think “outside the box” for ways that you could get involved Perhaps there is someone in your club who could host if club members were able to offer their support and commit to taking youth on an outing. Perhaps one of your club members has an adult child who would provide a great host family. It is not necessary for someone to be a Lions member to be a host.

Every person involved with this program, whether it be your club financially supporting the program, volunteering with your club to provide meals, or being a host family is impacting the youth of the world. Thank-you for your continued support of this program.

Health & Welfare Update

District A 15 Environment Chair, Lion Jason Crowe has been diagnosed with Cancer and is now in treatment.

Many of you know that Jason, his wife Anne, and 2 young children reside at the Lions Foundation of Canada Dog Guide Training and Breeding Facility Breslau. Both Lion Jason and Anne are active at the Foundation.

This will put a terrific strain on his family, a "Go Fund Me" account has been established through his friends at his employment.

This is an opportunity for all Lions to pitch in, follow the link to donate. Private donations may also be arranged through Elmira Lions.

Please keep Jason and his family in your thoughts and prayers.

Lions Clubs International has joined together with other service organizations to partner in an International Week of Service. Across the globe, volunteers – like you – are working to improve their communities. As we take on many challenges facing us today, we create personal bonds and friendships with other community members and volunteers. It is in this spirit that we ask your club to invite another local service group to volunteer with you during the last week of March. Information and resources for this event can be found at weekofservice.org. Also, visit the International Week of Service 2017 Facebook Event to RSVP and see what other clubs are planning.

Organizations participating in this event include: Lions Clubs International, Rotary International, Optimist International, Junior Chamber International, Kiwanis International, Moose International, Seroptimist, Y's Men International, Pilot International, Sertoma Inc., Zonta International, National AMBUCS and The National Exchange Club.

We simply ask that your club work with one or more other area service groups to do something together for your community. This can be an activity that is already planned for that week or something new. Then share your photos and videos from this activity at weekofservice.org, on the Facebook Event and on social media with the hashtag #weekofservice2017. Also, complete the fill-in-the-blank press release available at weekofservice.org and send it with a photo to your local media.

In addition to helping more people and communities in one week than ever before, this event will help us to promote all of our organizations, highlight membership opportunities and reinforce the importance of civic engagement and individual social responsibility. It is a chance for our volunteers to forge lasting relationships – further enabling prospects for future joint projects.

Join us in this partnership as we serve together like never before!

If you have any questions, please contact Kristopher Kempski at Kristopher.Kempski@lionsclubs.org.

Very truly yours,
Chancellor Bob Corlew

NEW HAMBURG LIONESS

The New Hamburg Lioness welcomed speakers from Prostate Cancer Canada to recent meeting. Both men welcomed the chance to share their information with our club. One of the organizations strategies is to present to groups of women in the hope they will pass on the information to their spouses and encourage them to have a PSA baseline recorded for future reference. Shown in the photo from Left to Right are: Lioness Karren Faulkner, Glen Tolhurst & Ken Steele from Prostate Cancer Canada and Lioness Janet Dawson-Brock.

COPETOWN LIONS

The Lions of Copetown continue to build on their Centennial Legacy Project with an aggressive donation campaign to worthwhile organizations in the Greater Hamilton area. This past month a donation of \$3,500.00 was made to the Hamilton Health Sciences Organization and \$5,000.00 to the Cancer Assistance Program. A portion of the donations given out under their program are directly related to the Health & Welfare of some of the members and their families.

Not to be outdone, our resident team of presenters are seen with the club donation to Becky McMahon of the Cancer Assistance Program.

MD"A" Convention 2017

Kitchener – May 11th to 14th

After some 23 years, the MD"A" Convention returns to Kitchener where a loud **“Willkommen”** will greet you as we celebrate our organization's 100 years of service.

Our host hotel is the Crown Plaza which is situated right in the heart of the city. You will note some slight changes this year as we are starting the transition to the Ad Hoc Committee's "2 Day Convention" recommendation which was approved by MD"A" Council in 2016.

The annual Stew O'Brien Golf Tournament will be held on Thursday, May 11th at the lovely tree-lined 18 hole Rockway Golf Course. This facility is just 7 minutes from the hotel with a tee-off time at 10:00 am.

The Host Committee luncheon on Friday will have Mr. Neil Aitchison giving us some words of inspiration. He is a former broadcaster and a theatre performer who will surely enlighten you. The opening ceremonies, with the help of the KW Oktoberfest Convention Committee, will be held on Friday at 5:30 pm followed by a social and dinner. Our Convention/International Banquet is scheduled for 1 pm on Saturday afternoon. LCI 1st Vice President Naresh Aggarwal and his spouse Navita will be our guests. Most are pleased that there will be no need for tuxedos at the Banquet but we ask that you dress appropriately.

We are hoping to address the issue of “too much running around and being hurried” by allowing more free time so we may rekindle old friendships and make new ones. To offset the often heard “there is nothing for us to do”, we will be offering a session on Internet Child Exploitation, presented by Waterloo Regional Police. Also, there will be a session where Lions, who wish to participate, take the place of teachers and experience an actual but condensed Lions Quest training program. Both sessions will no doubt be of interest and provide a wealth of information. As well, we will have several other sessions, a tribute to PIP Harry Newman, Free Opportunity and Vision Screening.

After the Oktoberfest-styled dinner on Friday night we are planning to have one of the local “Oompah-pah” bands to entertain you. On Saturday, Council Chair Stew's pick is the young and talented Matt Weidinger band.

On behalf of the Lions Club of Kitchener we look forward to your arrival and trust that you will enjoy *the spirit of Gemuetlichkeit!*
