

LIONS ONTARIO LICENSE PLATES

Lions Ontario License plates are now available. They may be ordered from any Ontario License Bureau. There are two types: 1. personalized and 2. serial.

1. Personalized Lions Plates are those which have your initials or a word or phrase or numbers that you choose. The cost is \$319.60. If, however, you already have personalized plates, you may get new Lions plates with your same inscription for \$132.25 at an Ontario License Bureau Office. To add the Lions logo, you must have 6 character or less on the existing plates. When ordering, you will be required to show your current signed Lions membership card. Only Lions may purchase Lions license plates.

2. Serial plates are numbered from 0001 on and are also ordered from the Ontario License Bureau. They cost \$132.35.

If the local License Bureau does not have plates on hand, they will order them. If they do not know the graphic code for the Lions logo, it is 0044.

NOTE - In the price quoted, all taxes are included. All you pay is 132.35 or \$319.60.
