1990 ATWOOD LIONS CLUB "LOST HEIR" PINS

"Lost Heir is a very popular card game in the Atwood area. The 5 pins are a set and we brought out one of these pins for our club pin in 5 consecutive years back approx. 30 years ago. There are 8 cards in each suite and the Winnipeg [green] blank is the Lost Heir. The Toronto [blue] suite blank has The Wrong Boy. The Montreal [red] blank is a zero and The Boston [black] is also a zero value. The other cards are numbered from 1-7 in each suite. The lost heir is worth 6 points and the wrong boy loses 3 points. Each player bids and counts what they got plus what they bid if successful. If not they lose the points they bid. A game goes to 52 points."   *- related by Lion Ken Buchanan- thank you (Jan, 2020)*
