13. Special Reports
  - Sight Conservation Project – Lion Dr. Jack Bishop
14. Old Business
15. New Business
16. Special Presentations & Awards
17. Good & Welfare
18. Adjournment

## **Governor's Remarks**

I would like to thank all the Lions who have stepped forward to take a position in the district. It just adds a few more activities that must be performed throughout the year but if it wasn't for your leadership skills, we would not have this great district. Its fantastic to have a Zone Chair in each Zone this year.

The district has a plan to increase membership this year by 100 members and develop two new Clubs. The plan is to have more Clube reporting Service projects, and the Zone chairs being more involved in the district discussion process. These goals may seem like we are reaching beyond our means, but it can be done if we work together.

The visitation schedule has been set by the Governors team and it is being updated on our website if changes are required. The Cabinet meetings will be in person with a Jim Keron providing Zoom for those who are unable to attend in person.

I would like to thank Lion Denis Vinette, Lion Brian Voigt, and Lion Ted Rypma for all the work on this year's directory. If it was not for these gentlemen, we would not have the document that we rely on.

Together We Can  
DG Tony

## **Secretary Report**

Governor Tony and members of Cabinet,

As of this writing, I have completed the following tasks:

- Updated the District database files (New format: Excel)
- Worked with some clubs to help input their PU-101 club officers for 2022-2023.
- Online calendar update of Club visits and meetings (as supplied)
- Finalized the District Directory for 2022-2023  
A special mention needs to be made here that this was a joint effort with Lion Brian Voigt of Thamesford Lions Club. Could not have done this alone and in fact, Brian was the real person behind this product. Thank you, Lion Brian.  
It is expected that we will have them for distribution at the meeting. Fingers crossed.
- Created a District Cabinet meeting document to assist clubs in hosting future meetings.
- Working on a Zone Meeting document to assist clubs in hosting future Zone meetings.

It is an honor to serve A15 in this capacity and I truly appreciate the opportunity this year.

Cabinet Secretary, District A-15

PDG Denis Vinette

## Treasurer's Report to Cabinet –Budget 2022-2023

Our District remains in sound financial position will excellent Cabinet and Committee members to carry out our District Duties. The Administration Budget is provided for Cabinet approval.

### ADMINISTRATION BUDGET

The budget is based on 55 Clubs and billable membership of 1284 as of the June 30, 2022 to provide a revenue of \$16,605 for operations. Note, there are 2 students that are not billable.

- Dues remain at a rate of **\$8.50 per person**- invoices to be emailed out in September
- Leadership seminar revenue charged at **\$25 per Club** for 55 clubs
- New Club Assessment Fund charged at **\$1.50 per member** to support new club formation
- Membership Assessment charged at **\$1.50 per member** to support GLT/GMT activities
- Various revenues from pin sales and directory sales
- Interest income from bank

accounts The expenses for the budget

are based on:

- Historical costs in most areas
- An honorarium of \$50 for each Committee Chair in June as has been in practice for many years
- Cabinet costs based on 4 in-person cabinet meetings
- The GLT/GMT activities include \$1375 for Leadership seminars and \$2000 for all other activities.
- To support and encourage Cabinet Members to attend USA/Canada Forum, the amount for travel reimbursement of \$800- to be paid as per policy

### ADMINISTRATION ACCOUNTS

- For information, the other costs to be billed to clubs for the coming year (as per Policy) include;
  - o Convention Levy revenue charges at \$1.40 per member as per By-law
  - o International Director Fund charged at \$.25 per member

For Club Treasurers, the cost of District Dues will be \$13.15 per member plus \$25 per club. MDA dues is expected to be \$17.50 per member. MDA dues are included in the District Dues billing and remitted by the Cabinet Treasurer to MDA as it has been in prior years.

## 1<sup>st</sup> VDG Garry Ransom

It is the start of another great Lions year. Though Covid is still with us, it appears that Clubs are beginning to resume activities within communities throughout our District.

As your 1st Vice District Governor, my focus this year will be on membership, working with PDG Tracey, the GMT Coordinator, and our membership committee. The first challenge is to recognize that we have a membership problem. The graph below shows our net membership gains and losses for the past 13 years. We have had a net loss of 332 members in the past 10 years

Yes, we do have a significant challenge ahead of us. So, what can we do about it? We know that there is a direct relationship between levels of community service, attracting new members and keeping members involved and engaged. There is also a direct relationship between, service, fund raising and dynamic leadership. Ensuring that new members feel welcome, needed and encouraged to take on Club responsibilities are important components to a successful membership strategy.

### Together we can

Lions International's President Brian Sheehan's motto is "Together we can". In my 24 years as a Lion, I have seen when Lions in District A15 decide to solve a problem they always solve it. Clubs are the sole source of the human and financial resources that are the hallmark of Lions in each community, District, Multiple-District and Lions Clubs worldwide.

Together, we will identify the issues, develop strategies and implement the action plan. We have a track record of addressing challenges head on. Your Membership Team will provide your club membership Chair with the tools and resources to address your specific Club needs and requirements. In turn, we would like clubs to share their membership successes and challenges. President Brian has challenged us, to think "outside the box" to attract new members.

Lion Garry  
FVDG District A15

## **2<sup>nd</sup> VDG Report**

The Lions year is off to a great start, and I am “GEARED UP FOR SERVICE”.

Training has already started at the MDA level, and I look forward to the fall training as well. The visitations have all been scheduled for the Zone Chairs as well as the Governor. I look forward to working with the cabinet this year to achieve the goals set by the governor. “Together we can” is the message from our International President and I believe that when we all work together, what may seem impossible is possible. The Zone Chairs have all been prepped for their role this year and I encourage you to reach out to your Zone Chair and introduce yourself. The district team is here to assist all the clubs to succeed in achieving their goals.

Respectfully,  
Bill Robinson

### **37S Zone Chair Lisa Visser**

First, I'd like to thank you all for all the wonderful work your clubs have done in 2021/2022. Every one of you were so welcoming when I visited your clubs. You were all very transparent about your clubs' challenges, humble and proud about your successes. I'm excited to see what 37S will accomplish this year. I was honored to take part in some new member Inductions in Thamesford, Ayr-North Dumfries and Ingersoll. I was able to take part in some of your amazing service/fundraising activities such as Thamesford's Trout Brunch, Family Day Fun day and their year-end dinner and awards night. My family attended and enjoyed Innerkip's drive thru Fish dinner, helped Sweaburg with a wedding they bartended and walked beside many of our clubs in A15 in The Coldest Night of the year fundraiser for homelessness. I witnessed so much passion for service and love for your communities. Truly inspiring!

As your Zone Chair and to me more importantly, your friend in service. I want to offer my help once again to your clubs in this upcoming year. Please, if I can help in anyway, feel free to reach out to me.

Thank you all again for all you do!  
Zone Chair 37 South,  
Lisa Visser

### **Zone 9S Zone Chair Report**

It has been a real pleasure to connect with the 10 Clubs in the Zone 9S. Roughly half of the Clubs have confirmed a date for Zone Chair visits. They include: Paris September 20; Rockton September 27, Glen Morris October 18, Brantford November 8, Copetown November 15, Burford November 22, Lynden December 1, Freelton December 6, Sheffield December 12 and St George December 14. The Zone clubs reflect the many faces of Lionism. Some Clubs are very active and vibrant, while other Clubs have really been challenged by the impact of COVID. I look forward to learning the new role of Zone Chair and connecting with the Clubs in the Zone. I also look forward to learning the new role within District A15.

Zone Chair 9S  
Lion Ken Linington.

## **Zone 51 East Report**

Hello everyone.

I hope you are having a great summer so far. My name is Lion Kevin March. I am your Zone Chair for 51 East. For anyone who doesn't know me, I have been a member of Rockwood & District Lions Club for over 40 years. I hope to serve you to the best of my abilities.

As I have been driving around the zone this summer, I have noticed that we are quite active in 51 East. I've seen clubs doing bottle drives, park cleanups, e-waste recycling, and some food events. Some clubs have had golf tournaments and information booths at Canada Day, just to name a few. I am looking forward to visiting each and every club in my zone and offering to help them in any way I can to improve their club. We have been through two very difficult years with Covid 19. Hopefully this year, we can return to a more normal state of affairs.

Respectfully submitted

Kevin March, Zone Chair 51 East

## **Global Membership Team**

I hope everyone had a safe and fun summer. I am excited to get started as your new Global Membership Team Coordinator. We have a new team gearing up to think of new ways we can help our clubs get active in attracting new members. The Team will be also working on getting some workshops available for you to attend. We are hoping that everyone will be able to get back to having in person meetings. I look forward to working with the team and all clubs in A-15 to boost our membership. Let's have some fun doing it.

Thank you,

GMT – Lion Tracey Robinson

## **A-15 Leadership Team Report**

In-Coming Zone Chairs met on July 21 via Zoom. This first of bi-monthly meetings throughout the Lions year provided an opportunity for an overall orientation to the role, detailed review of the Zone Chair manual and to meet and get to know each other.

Each zone Chair has the updated manual. The content provides details on responsibilities, links to key LCI support sites such as My LCI ...

The notes will detail individual Club needs and follow-up. This is also a useful history for future Zone Chairs.

This manual will enhance the Zone Chair's ability to carry out their responsibilities as the liaison of the Clubs in their respective Zones the District Governor, Cabinet and district resources.

Through regular meetings of Zone Chairs, individual and collective Club needs will be identified and where necessary collective action taken i.e., development of specific training and engagement of District resources.

A key role of Zone Chairs will be the identification and development of leadership at the Club level. Where appropriate, District resources will be provided to individual members to assume executive positions within their respective Clubs.

In addition, potential District leaders will be identified and supported.

In consultation with the District Governor and the three GAT Team members, two Zone Chairs will be assigned to each GAT Team thus providing a two-day communication and mutual support.

The Leadership team is available to individuals or groups to provide leadership development tailored to their needs. Be it President, Secretary, or conflict resolution we have the tools and resources to assist anyone looking to improve their leadership skills on this journey of volunteering.

We would like to acknowledge and thank Lion Garry for initiating and Chairing the Leadership Team over the last two years.

Respectfully,

Jim Sanders, GLT

## **A-15 Service Report**

Many Clubs have been busy throughout the summer months with fundraisers and service projects. I continue to forward service stories and ideas to Clubs on a monthly basis.

Lions, remember to report **all** your projects and activities on ***MyLion, starting from July 1st!*** Lions Clubs International is relying on this information - all service activities and volunteer hours count – none are too small to report. From the ***Rockton Lions Facebook*** “Small acts of Kindness when multiplied by millions of people, can change the world.” Reporting **future activities** can serve as a reminder to your own club members; as well as a means for other district members to find out about and plan to attend your upcoming events.

The District A-15 Club Challenge for Pride Service Contest will be held once again. The criteria have been forwarded to all District Clubs, and will also be posted on our District Website.

For those Clubs located within the Waterloo Region District School Board area, it is anticipated that vision screening will again commence in October. Contact District Sight Chair Lion Dave Millard at [sightscreen@a15lions.org](mailto:sightscreen@a15lions.org) if you would like to volunteer on a team.

I welcome ideas for new District or Zone service projects; and look forward to another great Lions year.

Yours in Service, Lion Nancy Ransom

## LCIF Committee

Report to Cabinet for August 21, 2022

District Governor Tony, members of Cabinet and Lions of District A-15

This report is being submitted as a wrap up of the final results for the previous Lions year.

Campaign 100 wrapped up on June 30 at the International Convention in Montreal. Lions around the world **exceeded the campaign goal with a total of US\$325 million** in donations to LCIF. WOW!

And THANK YOU!

These funds will be used for:

- New grant programs in Childhood Cancer & Hunger to improve the quality of life of those in need.
- Mobilize the Refugees and Displaced Persons fund to provide safety & security for those fleeing their homes.
- Increased ability to fund disasters
- Lives changed for the better – maybe even saved – because of Lions service in vision, diabetes and other humanitarian efforts globally.

More locally, here are some highlights for MDA & District A-15:

**MDA Campaign total US\$1,586,000; District A-15 Total US\$243,000 or \$189 per member. 6**

**Model Clubs:** Cambridge Highlands, Elmira, Guelph, Marsville, Stratford, Woodstock.

**13 Maple Leaf Clubs** (At least CAD \$360 per member)

Ayr-North Dumfries, Cambridge Highlands, Copetown, Elmira, Elora, Guelph, Kitchener, Kitchener Waterloo Community Spirit, Marsville, St Jacobs, Stratford, West Coast, and Woodstock,

Totals you have donated:

Year	Amount (all in USD)
pre-2019	\$ 17,236
2019	\$ 33,342
2020	\$ 44,613
2021	\$ 49,074
<b>2022</b>	<b>\$ 98,631</b>

**Grand Total \$242,896**

In June, an aspirational goal of \$50,000 was promoted. Thanks to MANY lions and clubs stepping forward (most notably Elmira, KW Community Spirit & Ayr North Dumfries), the grand total for last year was almost US\$100,000. Thank you doesn't seem to be enough. This is an amazing District and it has been most rewarding to serve as LCIF Committee Chair during Campaign 100.

Respectfully Submitted,

Peter Oswald.

Lions Clubs International  
**FOUNDATION**

## DISTRICT GOVERNOR'S NEWSLETTER

Plan of Action: Continue with the established quality of the newsletter issues.

Up until the summer months we have been striving to put out an edition on a monthly basis, due to an expected summer slowdown and not enough submission this may be cut back to two month versions until things pick up again in the fall.

We are always open for business, please forward your submissions as soon as practical. Event advertising is not only allowed but encouraged.

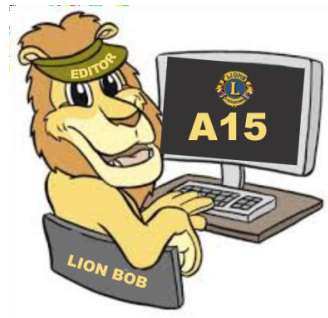

The newsletters are distributed electronically, photo resolution is not quite as important as it is for print versions, however some submissions may find their way into the LION magazine and quality photos are important for that publication.

The popularity of the bulletin contest seems to have waned somewhat and there have been no entries in the last couple of years. As a result of feedback from club members it has been suggested that it might well be time to consider changing the format of the bulletin contest to promote more interest within district clubs and the rating system perhaps be based on regular submissions as opposed to a one time entry for the contest. More to follow.

Timely submissions make for a better product. District clubs and bulletin editors are requested to submit your material to the A15 Editor as soon as practical for the next issue.

Submissions can be in most formats, PDF's are preferred, but most other platforms can be converted. Contact the bulletin editor if you have questions about file formats. Microsoft Word seems to be the most popular format and that is suitable.

Respectfully, Lion  
Bob Pearson  
Copetown Lions  
[bulletin@a15lions.org](mailto:bulletin@a15lions.org) 289-238-8877

Note: The editor for the District Governor's newsletter is not a permanent assignment, if any member might be interested in assuming the position please contact the writer.

## **Leo Chairperson**

Governor Tony, Cabinet Officers & Fellow Lions

At this time we only have 2 LEO Clubs in this district, KW with 27 members and Lynden with 3.

This youth program is growing immensely around the world:

There are 7,400 + Clubs

They have 160,00 + members

In 150 + Countries and Territories

And completed over 40,000 service projects in 2021-22.

From the LEO page of the LCI website:

*“Leadership, Experience, Opportunity.” That’s what makes a Leo. Members of Leo clubs embody the best qualities of our incredible organization. They are devoted young people who realize the power of action. Together, Leos and Lions form a powerful partnership — one of mutual respect where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who’ve successfully served the world for decades.*

The youth in our district are very important and we should be able to support them by adding more LEO Clubs in A15. For only \$100 per year your club could influence many of our young adults. The hyperlink below can provide more information or you may contact me.

[Start a Leo Club | Lions Clubs International](#)

Lion OJ Wilura

A15 LEO Chairperson

[ojwilura@gmail.com](mailto:ojwilura@gmail.com)

## **Gift of Life**

We have 117 members who have completed the survey. This has increased by about 15 members since the last meeting.

There are some clubs asking for visits; however with Covid on the rise I can only attend virtually.

I have an idea - to get a member from each club, to be club Gift of Life chair, so it will be easier to communicate and send

information to each club versus emails which do not always get seen or lost in the email world.

Lion Jess

Gift of Life Committee Chair

## **Historian Report**

Business is slow; I welcome all articles/photos of clubs past projects and events. I will continue to submit monthly pin and other stories to clubs.

Respectfully submitted, Lion Nancy Ransom

## **Diabetes Awareness**

Diabetes has a negative impact on many, many individuals and their families. Conversely, Lions through its support can have a positive impact when reaching out with its support.

Stay tuned and wait to learn about District support as we head into the Fall months Lion Harv Wood, Chair

## **District A-15 Technology Report**

Governor Tony, Cabinet, Lions:

I wish to report that all Cabinet, Committee, and Club information on the District web site will have been updated with information for the 2022-2023 Lions year by the time of the Cabinet meeting. The Club and Cabinet directories will be updated as corrections come in.

Most Cabinet members, Committee Chairs and Club Secretaries look after their own e-mail needs, with their ability to send to Cabinet and to the Clubs in the District by logging in to the Google Mail site. If assistance is needed with this task, I will be happy to assist, as I assume will Cabinet Secretary PDG Denis. Please visit the web site Publications/Use of Technology section and read the E-Mail and Communications Guidelines found there.

I would also like to point out a few things about the web site:

- Cabinet officers and Committees may maintain their own information on the site if they wish to do so;
- Pictures can be relatively easily uploaded to the site;
- The site has a "Search" function to help in locating information;
- A "Recent Changes" link is available to help in monitoring site content changes;
- All Cabinet, Committee and Club Directory information is maintained in a database on the web site, with past year's information available on the "History" page;
- The site will mostly function even if active content (JavaScript/Java/Flash) is turned off in the browser (only email addresses will not show up - they are protected).

If there is anyone in the District who is technically inclined and talented, and wishes to be involved in managing the technical details of the District's web and email presence, drop Governor Tony and me a note - it is always better to have multiple people involved in a tasks as described below.

Here is a brief bulleted list of what the District's electronic footprint involves.

- Maintain the District A-15 domain (the a15lions.org domain we use for web and email);
- Maintain the District domain name server configuration (the world-wide directory used by your computer to get to the District A-15 domain);
- Maintain the link between the District domain name and the web space used for the website;
- Maintain the content on the web space exposed by the District A-15 web address, <http://a15lions.org>. We will be transitioning to a secure <https://a15lions.org> this year;
- Maintain the Google web mail system used by the District A-15 e-mail addresses;
- Provide password resets and help for users (Cabinet, Committees, and Clubs) of the District email system;
- Update District directory entries as changes are made and errors are found;
- Update calendar entries for District and Club events during the year;
- Ensure that all bills for various charges are paid. The District Treasurer looks after the web space billing, the Technology Chair looks after any Domain and DNS charges and bills the District.
- Keep regular backups of all content on the web site, so the site may be recovered or moved easily;
- Maintain a list of all credentials needed to operate the Domain, DNS and email systems, and provide a list to be held in escrow by District Cabinet (usually the District Secretary and/or District Treasurer);
- And probably a number of things I have forgotten.

Thank you for allowing me to serve.

Lion Ted Rypma  
District Technology Chair

## **Convention Host Committee**

This is the first of our reports to Cabinet for the year 2022/23.

Our Convention will be on April 14,15 and 16, 2023 at the Brantford Best Western 9 formerly known as the Brant Park Inn. The room rates are very reasonable at \$129.00 per night which includes a Complimentary Breakfast and Free Parking. Event Functions are still being negotiated for the best price possible.

In order to host a Convention certain costs have to be covered. There are only a few ways to do this, Sponsorships, Convention Draw and Registrations. Once Costs have been finalized Registration Forms will be available on the District Website. A strong number of participants are required if we are to have any Conventions going forward.

So... mark the above dates on your calendar and remember "The Place to be in 2023"!
