Message from the Governor - January 2022

We are in the second half of the Lions year and I am excited about what we have accomplished and what we will accomplish by the end of the year. I thank you for your dedication of time and talent to keep our District the Best in MDA.

I have changed a few of the District Goals as we have struggled to get Club executives trained and Clubs are slow on reporting Service. The clubs' donations to our foundation are also below our initial expectations.

The district started the year with 1286 members, unfortunately 14 members have passed away and 78 members resigned. We have inducted 66 members into our Clubs this year leaving a balance of 1260 members (the membership Report has one member resigning twice). I am confident that we will be able to attract new members into our Lions Clubs so we will end the year with positive membership.

The Charter of the Oxford Lions Club was cancelled this year but the Membership Committee is working in Listowel to form a Lions Club. It is always a challenge to start a new Lion Club but we have a terrific team working on it.

I was contacted by Ferdy Coronel, the Governor of A711 and their Cabinet has approved the Transfer of the Dundas Lions Club, the Waterdown Lions Club, and the Dundas Lioness Club to District A15. We have work to do on this before the Clubs can move. The Clubs will move into Zone 9 South that presently has 10 Clubs.

As of December 30th, there has been no Candidate submitting paperwork for the position of Second Vice Governor for 2023-2024. I am looking forward to Zone Chair candidates submitting their nomination forms.

I am looking forward to visiting Clubs, inducting new members and having Fun for the rest of the year. "Together we Can" is the theme for this year and "Together we Will".

Thank you for all you do for Lions. We would not have been able to accomplish what we have if it wasn't for your dedication.

Governor

Tony Davidson

Immediate Past District Governor - Harvey Wood

1st Vice District Governor – Garry Ransom

On behalf of District Governor Tony and all members of A-15, I extend a warm welcome to our newest Club, Listowel Lions! With the help and support of these new members, we will identify and support the needs of the residents of Listowel. I want to thank in particular GMT coordinator PDG Tracey Robinson, SVDG Bill Robinson and GST coordinator PDG Nancy Ransom for their time, many trips to Listowel, and wearing out shoe leather visiting many people in Listowel. I also want to recognize and thank the Atwood Lions club for their sponsorship of this new club.

On January 1st clubs can nominate a member for the position Zone and Region Chair. The District Governor team has decided to have Region chairs for the Lions year 2023-24. The overall responsibility of the Region chair is to support the Zone chair with their many and important responsibilities. To qualify for both positions, the member must be in good standing and have been club president for 1 year or the majority thereof.

Based on participants response, the 2 Membership Workshops were well received. These Workshops in the coming year will be enhanced based on the experiences and feedback from this year such as providing more time in the break-out rooms. We will continue to be guided by the GMA (Global Membership Approach). The results speak for themselves. It is a process that has been used by clubs to evaluate their strengths and then using those strengths to attract new members.

I would like to wish everyone a Happy New Year and a very successful second half of this Lions year.

Lion Garry

2nd Vice District Governor – Bill Robinson

I am happy to report that I have visited all the clubs on my list and even managed to visit a couple that were not. It has been a busy second quarter and it is very exciting to see members being inducted and lots of clubs spreading the Christmas cheer around the District. As we enter the 3rd quarter now is not the time to relax, I have been busy getting trained in my role as Second Vice and preparing for the transition to VDG at the end of the next quarter. One of the struggles that we are having is members to step forward to take on leadership positions in the District. We are in need of Zone Chairs, Region Chairs as well as a Second Vice District Governor for next year. Please look within your club or in the mirror to identify individuals that could take on the position. All the training will be provided as well as ongoing support for anyone in those roles. I look forward to seeing you all at the convention in April. And remember that the district team is here to assist all the clubs to succeed in achieving their goals.

Respectfully

Bill Robinson

Cabinet Secretary – Denis Vinette

Since my past report, I have had the opportunity to assist clubs who have had difficulty navigating District email and MyLCI accounts. It's rewarding to know that these clubs appreciate the support and now have an increased awareness of the information that is available from these sources. I welcome any requests for assistance.

I am in the process of developing a GOOGLE doc repository for District documents with the intent of making these available to the Cabinet and, where appropriate, to all clubs and members of the District.

Respectfully Yours,

Denis

Cabinet Treasurer – Linda Vinette

TREASURERS REPORT TO CABINET

For January 19th Cabinet Meeting, the financial reports have been balanced and reconciled to the bank online balances (reconciled to statements as at December 31, 2022).

ADMINISTRATION ACCOUNT

- All clubs have paid their District dues. There was a slight shortage on the Oxford club dues of \$22.66 due to US\$ exchange and Paris Lions paid too much by 20.80 which will be held to apply to next year's dues per their request. MDA has received their portion of the dues.
- We have setup a trust account of money received from the members of the New Listowel Lions Branch club per the request of VDG Garry Ransom.
- Some of the new Club Contra Account has being used for the organizing and meeting of the Listowel Lions Club Branch in the amount of \$2002 38.
- We have received \$500US from LCI for GAT Grant and in January 2023 we received a grant of \$1000 from MDA for GAT. This is not on the financial statement because it was deposited in January 2023.
- With respect to the balance of Expenses vs. Budget, there has been very little activity and the report is straight forward.

TRUST ACCOUNTS

- The balance sheet for the Trust accounts is an accurate reflection of all the balances held in Trust and all accounts have been reconciled to the Bank records as of December 31, 2022.

Respectfully Submitted

Zone Chair 9 South – Ken Linington

December was an active month with regular ZC visits to Lynden and St George. Both clubs were most welcoming and are busy with good fundraising activities and community service activities. Two of the Clubs in the Zone have asked for a rescheduling of the visit. I met with Jim Cook who is acting President of the Freelton Club. He took the Directories for his club and we talked about many things including membership, fundraising and community service. I also did some Convention promotion and gave him a book of draw tickets for his club. President James Munday has some health concerns. We have agreed on January 24 for the Zone visit. I also traveled to Sheffield to meet with President David Hall. We also had good discussions about the Sheffield Club including membership, fundraising and community service. He also got a convention promotion discussion and a book of draw tickets. The ZC meeting with the club is scheduled for February 21. I delivered the directories for the Rockton Club to the home of the Secretary. She was suffering from the flu/cold that has been rampant in our area, so we settled for a phone call. No Zone meeting has been scheduled for Rockton.

Zone Chair 51 East – Kevin March

Hello Everyone

As of the date of our cabinet meeting, I will have visited all but one club. It's great to see the clubs in 51 East trying new ways of fundraising, such as wine-tasting dinners, calendar sales, raffles, and more. Their Christmas events were very successful, like Breakfast with Santa in Belwood and Rockwood.

Since the last cabinet meeting, I have held a Zone Advisory meeting with six clubs in attendance. We had two guest speakers, PDG Nancy Ransom and Anita Ertel of South Wellington Community Lions Club Branch. They spoke on the plight of the homeless and other accompanying issues such as addiction and mental illness and what we as Lions members could do. We asked clubs to donate winter clothing, socks, blankets, sleeping bags, etc. Nancy and Anita had a list of items needed by the homeless that could be purchased and donated by Lions clubs, such as space blankets, hand warmers, toiletries, etc. We collected many items from the clubs in attendance. We also had a round table discussion about how the pandemic and other factors have affected Lions meetings. We discussed what the individual clubs do for their meetings and explored various options available to supplement or replace dinner meetings.

I am currently visiting several clubs to promote the District A15 Convention in April, hoping to maximize the number of Lions attending. We're hoping to make our first 3-day convention since the pandemic a huge success. It is gratifying to see the spirit of co-operation between the four sponsoring clubs.

Global Leadership Team – Lion Jim Sanders

Fellow Lions,

We have all heard that leadership begins at the top. However, we do not always agree on where the top begins. Evidence clearly shows that the position at the top of our District leadership organization chart is the Club President. The next two levels are the Zone and Region Chairs. This in no way minimizes the role and responsibilities of all other members of Cabinet each of whom play a critical role in the success of our District.

Club members are the face of Lions. Only Clubs raise money and provide service. On occasion, Clubs will work together to enhance and strengthen specific services delivered at the District or Zone levels such as vision screening. At the same time, Lions Club International [LCI] harnesses the strength and power of Lions by sharing best practice while addressing world needs through coordinated Global action.

You have received the call for nominations for the upcoming District elections. The continued strength of District A-15 depends on Club members stepping forward. Let me draw your attention in particular to the key position of Zone Chair. Their sole responsibility is to support the Clubs in their respective Zones. Given the breadth of these responsibilities, Region Chairs after a one-year absence are returning and will directly support the Zone Chairs in fulfilling this critical mandate. Here's the challenge. It has been my experience that few step forward voluntarily, whether the position is employment or volunteer related. Simply, we often do not know if we are up to the task. So, please contact an experienced Lion or Lions VDG1 Garry or VDG2 Bill to discuss with no obligation.

Global Membership Team– PDG Tracey Robinson

DG Tony and Members of Cabinet.

It has been a very busy few months since my last report. Our team has been working very hard. We found out at the last cabinet meeting that we were approved for the Membership Grant from LCI. We also had our two-day workshop, which was a great success. Thank you to the team for the great work put into the presentations. We are pleased to announce that we have started a branch club in Listowel. We are still trying to get more members to form a Charter Club. The members in this club are very energetic, enthusiastic, and eager to get things started in their community. So much so that they have a Bottle Drive set up for January 7th, 2023, to start raising funds. I can't wait for the district to meet them. Thank you goes out to the Atwood Lions Club for being Listowel's sponsor.

There have been many new member inductions happening around the district. Please remember to add them to your club on LCI when they are approved. Keep up the good work on getting your clubs new members. We can never have enough!!

I would like to remind the clubs that I am here to come out and help with Membership. I would be more than happy to assist your club with any help you may need to bring in more members.

Thank you, PDG Tracey Robinson

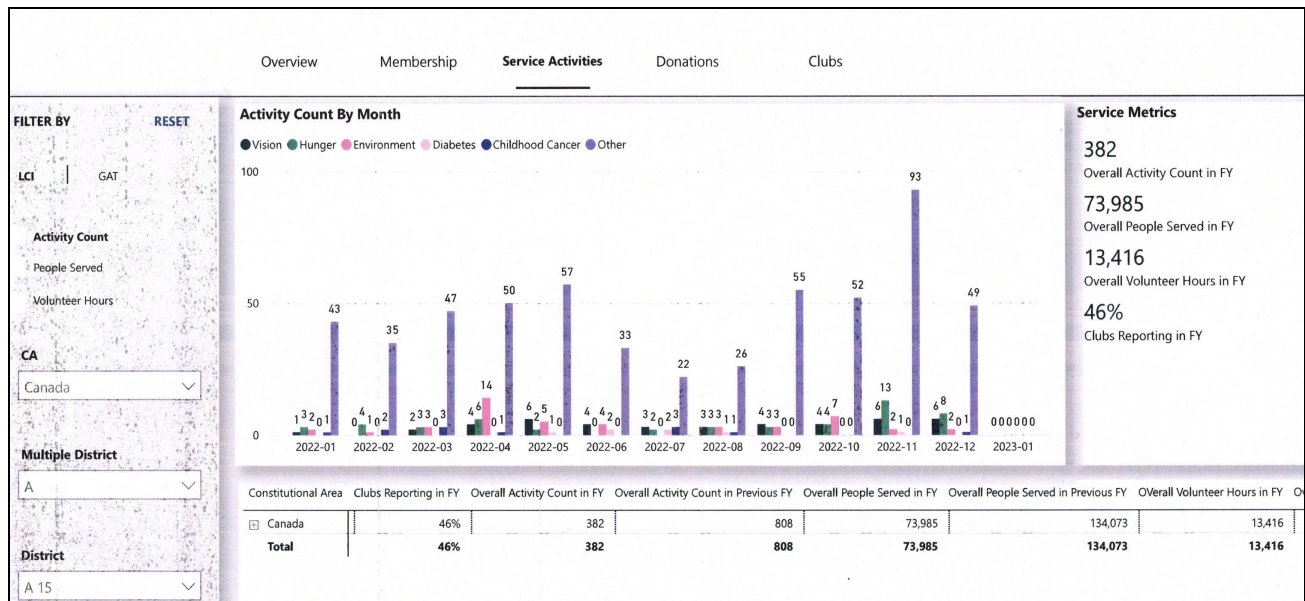

Global Service Team – PDG Nancy Ransom

I assisted the District Membership team for 3 days in October, distributing flyers to promote a new Lions club in Listowel. Congratulations to GMT PDG Tracey Robinson on formation of the new Listowel Lions, Branch Club of Atwood Lions. Their first fundraiser was a successful Bottle Drive held on January 7th.

Ideas for joint club projects and projects involving community were sent to all district Clubs in November. I have sent several A-15 monthly club service stories to Lion Kelsey Ax, GAT Specialist at Lions International.

Congratulations to the Z51 East Lions for a successful Winter Needs Clothing Drive! Thank you to South Wellington Community Lion Anita Ertel for assisting with a service presentation and discussion on community needs in Guelph Wellington region; at the November 51 East zone meeting.

Number of Clubs reporting has increased – now at 46%. **All Lions** members can access **MyLion** to read about service activities, not only in our District but also all of Canada. This is our story to share with the world.

Please remember to continue reporting your Service on MyLion and to enter the District Club Service Competition. The criteria can be found on the A-15 website under Service; or I will forward a copy on request.

To the A-15 Lions, I wish you all the best for 2023.

Yours in Service, Lion Nancy Ransom.

Bulletin Editor - Lion Bob Pearson

Plan of Action:

Continue with the established quality of the newsletter issues but we do realize there is always room for improvement.

The January issue is under construction, looking for submissions and photos, event advertising is not only allowed but encouraged.

The newsletters are distributed electronically, photo resolution is not quite as important as it is for print versions, however our submissions may find their way into the LION magazine and quality photos are important.

The popularity of the bulletin contest seems to have waned somewhat and there have been no entries in the last couple of years. As a result of feedback from club members it has been suggested that it might well be time to consider changing the format of the bulletin contest to promote more interest within district clubs and the rating system perhaps be based on regular submissions as opposed to a onetime entry for the contest. More to follow.

Submissions can be in most formats, PDF's are preferred, but most other platforms can be converted. Contact the bulletin editor if you have questions about file formats. Microsoft Word seems to be the most popular format and that is suitable.

I understand Dundas Lions are transferring to A15 from A7/11, we are looking forward to reporting on their many service activities.

2023 DISTRICT A15 CONVENTION

Our Annual District A15 Convention is being held April, 14,15 and 16 2023 at the Brantford Best Western Hotel and Conference Centre (former Brant Park Inn) just off the Alexander Graham Bell Parkway.

In 2020 we had no Convention, 2021 we had a Virtual Convention and in 2022 we had a 2 Day Convention. If we are going to have a Convention in 2024, we need to have this year's convention a resounding success.

In 2023, we have lots of Activities planned to Participate in and Enjoy.

(from co-chair Ken Linington)

Convention efforts are in full swing. We met with the Best Western hotel to finalize the contract. The supporting treasurer efforts are complete with both cheque and e-transfer options up and running. Coordination of the local car dealers continues for the Saturday afternoon program. Thompson Printing of Paris has agreed to do the printing needs for the convention with March 1 as a deadline for all printing needs, including the promotional material from the car dealers and other sponsors. A sponsorship planning session to approach local individuals who support Lions or businesses that support Lions will take place on January 10. All Clubs in the District will receive a promotional email on how they can assist in getting sponsors for the convention. The Convention Raffle tickets will also be promoted through email to every club in the District.

Governor Tony:

This is my first report as District Coordinator.

A sincere thank you to Lions in District A 15 for your contributions to the success of Campaign 100 and a huge thank you to Lion Peter Oswald for his fine leadership throughout the campaign.

Total campaign funds in Canada were \$4,725,729.00, (US\$\$) approximately \$130.00 per member average.

POST CAMPAIGN 100

The need for funding continues although not to the extent as during campaign 100. The goal for Canada for 2022/23 is about \$860,000.00 (CAD) or about \$27.00 per member.

Remember to make all contributions to Lions of Canada Fund for LCIF and send to PDG Stan Durward at Box 38, Sunderland Ont L0C 1C0.

An observation from Campaign 100.....Contributions from Clubs were several and substantial but from Lions members, few and small.

I will encourage each Lion to support your Foundation.

Nominations – PCC Tim Cronin

I am pleased to report that we have candidates for governor in Garry Ransom and first vice governor in Bill Robinson who have met all the requirements for their candidacy

Nominations for second vice district governor have been open since November 2022 and I have not yet received any applications or requests for information.

First Vice Governor Garry Ransom has indicated that he will be utilizing the position of Region Chair for the Lions year 2023/24.

I have sent an email to all clubs in A15 to advise that that as of January 1 2023 nominations are “Open” for both Region and Zone Chair positions in all regions and zones in A15.

If no qualified nominations are received by the Governor and Nominating Committee prior 10 AM March 16. (30 days prior to the report of the Nominating Committee at the A15 Convention) then a nomination may be received from the floor.

We need our clubs to encourage and support Lions to take a leadership role.

I would be pleased to visit any Lion or Lions Club who would like more information on the roles and responsibilities of a position on cabinet.

Youth Camp & Exchange – Lions Mark & Allison Henkell

The dates for the 2023 Youth Exchange Program (YEP) are as follows:

Thursday, June 27 – Youth arrive at Toronto International Airport and travel to their host families

Saturday, July 15 – Camp begins (Blue Springs Boy Scout Camp)

Sunday, July 23 – International Night – location TBD

Tuesday, July 25 – Camp closes – youth return to their host families

Thursday, July 27 – Youth fly out of Toronto International Airport

We just posted the camp on the international website as we were just able to confirm the dates. We have been contacted by Lions Youth Exchange coordinators in other countries, expressing interest in the camp, and we expect we will begin receiving applications soon. There are still many camps around the world that are not restarting.

This year, we will be accepting a maximum of 20 youth, and we are currently looking at renting two 12-passenger vans. As in past years, we will be speaking to each youth before we accept them to the exchange. The age for the youth who will be accepted is 16-21.

We (Mark and Allison) will be the camp Directors again and a life-long friend of ours has volunteered to attend the camp as a Counsellor (we are also working on getting him to join a Lions club). Jenna will join us when she is able but will not be at the camp full time this year.

Jenna's absence leaves a big hole for us, she has done a lot to make the youth comfortable in the camp and to help pull together our International Night. We do have a young lady (18) who is interested in joining us as Youth Liaison, we will be meeting with her and her parents over the next couple of weeks to work out the details.

We would love to hear from Lions who are available to volunteer to help for just one or two events. For example, we are looking at attending a Blue Jay's game and that could be more enjoyable for the youth if there were more baseball fans who could explain the game to them.

We would really like to encourage clubs to recruit host families. We would encourage the clubs to "think outside the box" when finding hosts. It isn't necessary that hosts be Lions' members, it is possible that hosting will be someone's first exposure to Lions and it may encourage them to become involved in other ways! We don't have to do things like they have always been done, we just need to ensure a safe and rewarding experience for the visiting youth, the families who host, and the Lions who get the opportunity to interact with the youth. If you are interested in hosting please reach out to Allison as soon as possible so we can get this vital part of our planning done.

We will be putting together the list of all the clubs that were involved in preparing and/or providing meals for the camp in the past and an email will be sent shortly to confirm availability for the upcoming year. We need someone to volunteer to take on the job of coordinating meals at camp. If you think this is something you would like to take on, please contact Allison by email at ycex@a15lions.org or by telephone/text at 226-228-0874. Any clubs that have not been involved in providing a meal in the past, who would like to be involved this year are also encouraged to contact Allison. We have had a long break from camp, but we are hoping this won't be like starting completely from scratch.

As we are beginning the process of contacting venues where we have visited in the past and obtaining quotes from vendors we have used in the past, (camp, van rentals etc.) we are being hit with the reality of the increase in cost since we last ran the camp in 2019. A budget was submitted and approved during the Winter cabinet meeting; we need direction from Cabinet on what level of budget overrun needs approval. We will keep Cabinet apprised of our progress as we gather information (we are looking for people to help contact venues and gather information, please reach out if you can assist) and we are looking at areas where we can cut back while maintaining the high quality of the camp experience for our visiting youth.

We appreciate everyone in the District who has supported this program in the past financially, by preparing meals, hosting youth, participating in events or any of the other ways Lions have been involved. We look forward to your continued support in the future and look forward to new individuals and clubs becoming involved in the awesome adventure that is the Lions International Youth Exchange Program!

LIONS HOMES OFFER A PLACE TO GROW

HELEN KELLER FELLOWSHIP

This award has been established by the Board of Directors, Lions Homes for deaf People, to honour outstanding Lions, Lioness and Leos throughout Multiple District "A" and deserving members of the community.

The fellowship is of very significant design and quality to reflect the importance and honour of the occasion for which it is presented. An attractive lapel pin bearing a montage of Helen Keller is provided for each recipient. Recipients display both the award and lapel pin with pride.

To make a fellow Lion, Lioness, Leo or a member of your community a "Helen Keller Fellow", a donation of at least \$500.00 must be sent to Lions Homes for Deaf People. Districts may request one reward for every \$1 500.00 donated from their district in amounts less than \$500.00. For example, a number of clubs in a district might make smaller donations for a total of \$4800.00. The district would then be eligible to request three Helen Keller Fellowship to honour individuals.

This is an excellent way to honour a member of your club or citizen of your community while providing support to the projects of Lions Homes for Deaf People. The solid oak frame, red velvet background and gold lettering make this a very impressive award.

Please consider this Fellowship a suitable way to honour someone in your club or district. To order a Helen Keller Fellowship, please complete the order form on the reverse side of this page and send it along with your cheque to:
