HAPPY HOLIDAYS!
HAPPY NEW YEAR!

Season's Greetings and a Safe and Happy New Year to all my Lions Family in District A-15. I can't begin to tell you all what a great year this has been thus far. I'm looking forward to 2020 with hopes of bringing our Campaign 100 to all time high in personal donations, as well as club donations. I'm also looking forward to our Canadian Centennial Celebration, with lots of trees being planted and the centennial projects in the communities. We have a great District, and I am most proud of what we do together as clubs, individuals and most of all our District TEAM!

Thank you for letting Bill and I be a part of your families. So, from our family to yours, I wish you all the best and success in all that you do for LIONS.

Sincerely,

DG Tracey Robinson & GMT Bill Robinson

Lions Battle Diabetes With Awareness and Education

LIONS FIGHTING DIABETES

Congratulations, Lions!

Lions, you did it. Together, we helped screen more than one million people around the world for type 2 diabetes!

International President, Dr. Jung-Yul Choi would like to give you a personal thank you.

http://app.e.roar.lionsclubs.org/e/er?utm_source=Eloqua&utm_campaign=SVC_EN_WDD%20%235_Email_2019&utm_medium=email&s=94443966&lid=6396&elqTrackId=91841895AD3820B67E479E00Fo638D3&elq=7a5e3f0fe2c6430a91f3a684359d68ae&elqaid=12244&elqat=1

Thank you to everyone who participated in this monumental event. And remember, even though our challenge is over, there's still a lot you can do to help. Continue *making your mark* by organizing a diabetes screening in your community and reporting your service to Lions Clubs International.

Lions Clubs International Foundation

Dear Lions, Devastating life events such as hurricanes or cancer don't plan around holidays or birthdays—they strike whether or not we are prepared. As Lions, we pay attention and notice the people facing these types of challenges, and are compelled to take action. During this season of giving, think of those who are experiencing challenges, or communities hit hard by unforeseen tragedy. When you support LCIF, you are ensuring that when there is a need, Lions are there. We feed the hungry, restore lost vision, and provide social and emotional education to children through Lions Quest. We increase diabetes education, reduce our impact on the environment, and support a child diagnosed with cancer. Lions change lives. When you give to LCIF, Lions can do even more.

I am asking you to give whatever you can—every bit counts. Help people in your community and in communities around the world move past their hardships by supporting LCIF, your foundation.

In friendship,

Gudrun Yngvadottir

Chairperson,

LIONS PIN TRADING

The biggest place to trade pins is the annual International Convention, but for Lions who can't make it—or for Lions who want more opportunities to trade—there several large pin-swapping gatherings held throughout the year in Virginia; Pennsylvania; Las Vegas, Nevada; and Moline, Illinois. Smaller local swaps also occur regularly.

As with anything that Lions are involved in, fun and fellowship leads to service. In 2008, the Lions International Trading Pin Club led a fundraising effort among fellow pin traders and presented a check for US\$100,000 to Campaign SightFirst II at the International Convention in Minneapolis the following year.

Pin Traders & Trading History

The first Lion's Club pins were called "Friendship Pins" introduced in the late 1940's & early 50's. Most were small plastic replicas of states or items from various states. Many were thrown from floats at the Lion's Parade during celebrations at Lion's International Conventions. These are some of the most sought after collectables in Lion's today.

Trading pins as we know them today became popular in the 1960/70's. All States and Provinces strike at least one pin each year to commemorate the LCI Convention. Almost all countries where there are Lion's, there's bound to be pins produced for

one reason or another, i.e. Lion's Districts, individual clubs and personally designed pins for individuals. The number of pins produced each year is not known, but it is safe to say there are thousands produced collectively.

Early LC Fraternal Club Pin

One of the unique & exciting experiences one can have at an LCI convention is the opportunity to collect pins from around the world. Thousands of members become pin traders for at least the week they are enjoying the convention activities, thus developing great memories.

The Lions International Trading Pin Club (LITPC) was born on June 27th, 1973 during the LCI convention in Miami Beach with 50 members. Since then many pin trading clubs have been formed with thousands of members.

The purpose of these clubs is to foster and develop friendships, good fellowship and mutual understanding through the avocation of trading and collecting Lion's Friendship Pins which are now simply called Trading Pins.

We're almost done the Splash Pad project; we're just going to add a couple more big stones to sit on and a couple of more metal tables/umbrellas/chair units by spring.

So the question is, what community project would you like the Drumbo Lions to take on next?

Don't get too crazy, we are a small club, so don't ask for an arena or indoor soccer stadium, but what are some small or medium size projects that we could spear-head for the betterment of the community?

Some ideas that we heard of so far are, a leash-free dog park, improve the batting cages at the ball diamond, build a roofed pavilion by the ballpark food concession stand, put a roofed structure over the community mail boxes, and build better "Drumbo" signs at the edge of town.

Post your ideas in the comment section below, or talk to a Lions member, or email drumbolionsclub@gmail.com

IN MEMOR OF INTERNATIONAL FIRST VICE PRESIDENT
JUDGE HAYNES H. TOWNSEND

Dear Lions,

We have experienced an incredible loss to our Lion family. On December 17, International First Vice President Judge Haynes H. Townsend passed away. We are heartbroken by this tragic loss to our Lion family, to the Townsend family and his loving wife, Donna.

Judge Townsend believed in the power of kindness to help and to heal. He was a judge who presided over his courtroom with integrity and heart, knowing that lives and destinies hung in the balance. He was a leader who believed that big ideas should drive us but that compassion should guide us. And above all, he was a Lion.

For 40 years, he was an active member of the Dalton Noon Lions Club in his home of Dalton, Georgia, USA. He believed that acts of kindness, both big and small, could change lives.

It is difficult to lose an international leader of such importance. But it is even harder to lose a man of such character. We will always cherish the time we had with Judge Townsend, and we will continue to move forward, working to bring his vision for Lions, and a world of kindness, to life.

Regards,

Dr. Jung-Yul Choi

This year marks the eleventh anniversary of the first Ride For Diabetes, Lion Ralph and the Ingersoll Lions took part in. Eleven years ago Lion Ralph and his friends rode from The Sault to Alaska. This year the group has added a second trip. Lions, their friends, and supporters have been especially generous in previous years and we ask the generosity continue. Make this a special year, not just for Ralph and the Lions, but for Canadian Diabetes Research in their fight against this dreadful disease which effects so many of our families and friends... Hello Lions,

I would like to share some exciting news with you. The Leos & Lions of California are hosting the 4th USA/Canada Leo Leadership Forum on July 22nd to 26th, 2020 at the Wyndham Visalia. **Registration is now OPEN!** This 2020 Leo Leadership Forum will bring Leos together from across North America and the Caribbean. During the course of the week, we have seminars in various areas of leadership and community-organizing as part of our core curriculum toward the HIGH SCHOOL DEGREE earned during this Forum experience. We also have elective seminars prepared by Leos. It's our goal to also empower our Leos to educate each other in areas of interest to them related to leadership. At the conclusion of every seminar, the facilitator offers a quiz on the subject. The passing of this

seminar quiz will give the Leo the credits needed to graduate our program. All seminars are reviewed by our Dean of the High School Program and its committee members.

At every Leo Leadership Forum, we invite an international officer as our guest speaker. This gives our Leos the opportunity to ask questions, learn more about our association and the legacy that our Founder Melvin Jones left for the world. Leos also get the opportunity to network and bond with other Lions, Leos and LCI Staff Members. We provide a full day of fun touring the host city area and a day of community service planned by the Leo Host Committee. We have an Opening Ceremony/Dinner together with a Closing Night Dinner Gala that includes the presentation of diplomas and concludes with an entertaining night of dancing. Our Leos return home more knowledgeable about our Association, the Leo Club Program, ways to continue building up their own clubs while bringing bright new ideas for service projects and fundraisers. This Leo Forum will help Leos become great leaders ready to serve their community and continue to grow as an individual while feeling proud to be a Leo. We welcome Leo Club Advisors, Lions and parents to attend the Forum. We want this to be a learning experience for all.

Please share this email with your Leos or Lions interested in learning more about the Leo Club Program. If your Leo Club is school-based, our team is happy to speak to Principals or Faculty Advisors to better explain our Leo Forum or answer any question. Our contact information is listed below. Take a look at our video with highlights of our 2nd Leo Leadership Forum. We look forward to welcoming all Leos and Lions to the Golden State.

DISTRICT A5 NEWS-
LETTER EDITOR

MY MUSINGS

Lions,

I am happy to be your District Newsletter Editor and will try to keep everyone up to date on what's happening in your District.

If you want something listed by all means send it to me.

For my first issue I scoured Facebook, Lions Clubs International, the Web and found many Clubs are not advertising their good deeds and blowing their horn. I apologize if I have missed any Clubs but it just seems that they do not have an electronic attachment to the internet. So for those Clubs, please try to get someone with some internet savvy and let the rest of us know what you are having fun doing for your communities.

Enough of my preaching, thank you to all the contributors and Clubs who have a Facebook page or website and keep it current.

Wishing you all a very Merry Christmas & a Happy New Year
