## **A-15 CONVENTION PRESS RELEASE**

**"The A-15 family will be meeting 'in person' for the first time in three years" announces District Governor Harvey Wood. "Covid has required we have virtual conventions in 2020 and 2021 but, in spite of the current omicron wave, we believe we will be able to meet face to face again in April. I am inviting all members of the A-15 family to join April 9th and 10th of 2022 at the Crowne Plaza Hotel in Kitchener for our annual convention because 'TOGETHER WE ARE STRONGER'."**

**This convention, hosted by the Kitchener Oktoberfest Lions Club, will be a modified event running for two days from 4 PM on Saturday April 9 to 1 PM on Sunday April 10. It will include many of the elements that members have come to expect at conventions. This will include opening ceremonies with the parade of banners, hospitality rooms on Saturday evening, in-person voting, cabinet meeting and memorial service on Sunday morning.**

**Our special guest will be International Director for Canada, Lion Allen Snider and his wife Susan. Director Snider will be meeting and greeting members throughout the two days of the convention and addressing the assembly at a luncheon on Sunday.**

**Hotel rooms are a special convention rate and information on booking rooms will be included in the convention registration package being mailed to all clubs as well as available for download from the A-15 website. Tables at which committee chairs can inform members of the committee's activities will be available during the convention and can be booked on a 'first come - first reserved' basis. All Covid protocols as require by local health authorities will be in place. Also, any specific requirements put in place by the headquarters hotel will apply.**

**"We are going to have a fantastic reunion for members who haven't had a chance to renew acquaintances, meet old friends or get to know some of our new Lions" says Governor Harvey: "and we hope as many members as possible take advantage of the chance to meet again in the spirit of gemutlichkeit." For more information contact Host Committee Chair PDDG George Patton at [convhost@A15lions.org](mailto:convhost@A15lions.org).**

## **ALLEN SNIDER INTERNATIONAL DIRECTOR**

**Allen Snider, from Niagara-on-the-Lake, was elected to serve a two-year term as international director of Lions Clubs International at the association's 103rd International Convention in 2021.**

**He has 36 years of experience as a construction millwright and engineer at General Motors. Toward the end of his career, he also took on the position of mobile equipment manager. In retirement, he farms garlic, lavender and sunflowers.**

**Director Snider became a Lion in 1981 when he joined the St. Davids and District Lions Club where he has since served multiple terms as club treasurer and president. At the district level, he served a district governor and held leadership roles on the Global Membership Team and Global Service Team. He is on the board for the Lions Home for Deaf People and was also Preservation Hearing Chair at MDA. In recognition of his service, Lion Allan has been honored with two International President's Awards and several International President's Certificates of Appreciation. He is a Judge Brian Stevenson Fellow and Helen Keller Fellowship recipient and a life member of the Lions Foundation of Canada and a Progressive Melvin Jones Fellow.**

**In addition to his Lions activities, Director Snider has been an Alderman for the Town of Niagara-on-the-Lake, a trustee for the Lincoln County Board of Education and is currently the Chair of the Committee of Adjustment for Niagara-on-the-Lake. He has also been a member of the local Royal Canadian Legion since 1977 and has received the Volunteer of the Year Award for Service Clubs in his community. Lion Allan's wife Susan, is also a Lion, as are his son, Richard, and daughter, Jessica. Director Snider is also proud to serve alongside the many other Lions in his extended family.**

**Governor Harv's comment: I have always believed that Lionism starts and ends with the members of our clubs. Having our new Canadian International Director as our special guest will let the Lions of A-15 see a Lion who is a 'down-to-earth' guy who is more comfortable in jeans & a T-shirt than a suit and tie. I truly think you will find him a person who appreciates value in the opinion of the average club member.**

*Also, ask him about planting trees!!*

# A15 WEBINAR WEDNESDAYS

#3 January 26th

A15 has put together a series of four webinars that focus on membership and club growth, the first one was January 12<sup>th</sup> followed by the next three Wednesdays. The first two sessions were reported on in the January edition of the newsletter.

Next up was Club websites with a comprehensive overview delivered by George Loney who retired from the University of Guelph and set up a business specializing in website development and operation not for profit organizations including the Guelph Club. Garry Ransom using his own Club's website showed how straight forward it is to keep the Guelph site current and fresh.

Lisa Visser introduced Lion Mark King from the Chippawa Lions who is establishing a virtual club in District A2, along with a host of other Lions. He is interested in visiting as many clubs as possible to gather information helpful to their cause. He can be contacted at 289-931-2663.

## **Fellow Lions**

Your Leadership Team has just completed a review of the Training Sessions and Information Webinars held to date during the current Lions year. We would like to share some of what we have learned particularly from participants' feedback. We would also appreciate your ideas, advice and help in planning future sessions for the remainder of this year and next.

## **What We Learned**

- More than 85% of the participants prefer virtual versus in-person sessions
- 80-100% of participants had something to take back to their Club
- All Sessions received a positive rating with Facebook and Membership rated the highest.
- Sessions of 1 to 1.5 hours are preferred.
- It was evident that we all learn more with active participation.

## **How You Can Help?**

We are looking for assistance for workshops in the following areas:

- Setting Up and Holding Hybrid Meetings
- Marketing Your Club
- Advertising your Club services and Fund raising Projects
- Google Docs Training
- Determining Club Project Priorities
- New Member Orientation

Please list additional areas of needs based on your experiences and of your Club. We are aware of time constraints that we all face and will continue to take this into consideration for all participants. Please send your comments and suggestions to:

# Hot On The Trail For 40 Years

## PID Art Woods & Elmira Lions

If you're a user of Woolwich's now-expansive trail system, you have Art Woods to thank for that. The Township of Woolwich Environmental Enhancement Committee (TWEEC) recently did just that on your behalf, presenting him with an award recognizing his decades of service. The group's CARES award (Community Awards in Recognition of Environmental Stewardship) acknowledges the Elmira resident's pioneering efforts to launch trails in the community.

Taken for granted today, trailways weren't even on the radar in 1980 when Woods and the Elmira Lions Club pushed to create the Elmira Lions Trail. For the full story click on the logo to go the OBSERVER, the local community newspaper or scan the Q.R. code with your phone.

# DISTRICT A-15

**L**ast year two of our District Cabinet members received their LCI Guiding Lions Certificate in recognition of their efforts not only in this Lion's year but prior years as well. No doubt that aspect of Lionism will continue in the future. VDG Lion Tony Tony Davidson from the St. George Lions and DG Harvey Wood of the Rockton Lions are proudly displaying their certificates.

**Over the last three years, service clubs have made substantial donations to support Margaret's Place Hospice in Dundas, A15 Clubs Copetown and Lynden have contributed in a big way with gifts of almost \$50,000.00. KUDOS to the Dundas Lions from District A711 with a huge gift of \$500,000.00. A presentation was given at a recent Copetown Lions meeting by Don Davidson, President and CEO and Teresa Silvestro, Development Officer on how the facility has impacted the community.**

SPRING 2022

### *Margaret's Place Update*

Dear Copetown Lions,

It has been nearly six months since the doors of Margaret's Place opened to care for its first residents. We have been touched by the impact the hospice has had on our residents and their families in such a short time. Their positive and heartfelt feedback is validation to us for taking on such a grand project. Because of our generous community, we are able to provide compassionate and dignified care to our residents in their final days.

Our Foundation continues to pursue the mission to care for everyone in our community who may need it. Offering care in one of the largest long-term care homes in Ontario, various community outreach programs and services, and now hospice care, we have truly become a campus of care and an integral component of our health care system. This is because of you and our community. Because of your tenacious support, the expansion of care to our community was made possible.

Soon after ribbon-cutting in late August 2021, the hospice accepted its first resident. Since then, we have seen over 28 residents and their families come through Margaret's Place, trusting us to guide them through their journey – each touched by their own experience.

The architectural vision for hospice was to accentuate its beautiful location on the edge of Spring Creek Ravine. We have seen the importance of this element, as the natural environment, direct access to the outdoors and the curious wildlife that are regular visitors have become a form of therapy for our residents. Nature has a magical way of providing tranquility, especially at the end of life.

Beyond the location and architecture, the exceptional care at Margaret's Place truly stands out. Hospice care is unlike any other. The focus is on comfort, quality of life and creating precious moments for families. It is a haven of rest, of tears, of laughter and reflection. Our compassionate team of staff and volunteers are at the heart of this care. They touch lives every day and help ease the difficult journey that families face.

*"Families feel safe and secure to leave their loved one in our care. They've been so thankful for our nurses, PSW's and volunteers. One family member mentioned they felt they were given angels to take care of them in their difficult journey."*

DAWN MARTIN, NURSE NAVIGATOR  
MARGARET'S PLACE HOSPICE

# COPETOWN LIONS

**Copetown Lions recently held their annual Peace Poster Contest in conjunction with Valaqlava Public School, shown in the photo is winner Leah Tigchelaar receiving her prize from contest coordinator Lion Debbie Nelligan. Leah was more than happy with her \$250.00 prize from the for winning at the District A15 level and a \$100.00 bonus from the Copetown club. Leah had a big smile on her face under the mask. A welcome side note, Lion Debbie has accepted the position of Peace Poster Coordinator for District A15.**

# ST. GEORGE LIONS

**T**his has been a good winter so far for the outdoor ice rink at Sunny Hill Park in St. George. The saying “many hands make light work” was no more apparent than when it was time to put up the boards in the fall. Likewise, with Lion Gerry Graves heading up the project, St. George Lions members and members of the community have stepped up to help with shovelling and flooding the surface. The rink is a welcome addition to the community and very popular with all ages. Our club’s history with rinks goes back to 1950 when a rink was constructed and maintained by Lions. Our own DG Harvey Woods can recall skating on that rink as a kid.

# MONTREAL 2022

## Hello Lions and Welcome to LCICon 2022 in Montreal

Our first in-person International Convention in 3 years and it is in Canada – how exciting is that!! At last we will have the opportunity to see old friends again and to meet new friends from around the world.

**Have you registered for the Convention yet? If not why not?**

This is your chance to support our own Dr. Patti Hill from Edmonton, Alberta on her path to International 1<sup>st</sup> Vice President.

It is an opportunity to meet our 2 Canadian International Directors. We can thank, and show our appreciation to ID Allan Hunt from Chilliwack, British Columbia for representing Canada for an unprecedented 3-year term and to congratulate ID Allen Snider from St. Catharines, Ontario who was elected as an International Director at the 103<sup>rd</sup> International Convention (virtual) last year. For the first time in our history we have two Canadian Directors sitting on the International Board. Let's show our patriotism by supporting them.

## Bonjour Lions et bienvenue au LCICon 2022 à Montréal

Notre première convention internationale en personne en 3 ans et c'est au Canada - comme c'est excitant !! Nous aurons enfin l'occasion de revoir de vieux amis et de rencontrer de nouveaux amis du monde entier.
