September 2025

My Fellow Lions/Leos:

We need your support! As Lions, we are blessed with many opportunities to serve. We also face the challenge of deciding where to direct the precious funds we raise. Often, those choices are between several Lions programs — each important, each making a difference.

What makes Lions Quest unique is its lasting ripple effect: one teacher trained can impact hundreds of students year after year. Your donation doesn't just touch one life, it strengthens entire classrooms, schools, and communities for generations. For over 40 years, Lions Quest Canada has trained more than 40,000 educators, reaching over 3 million young people with skills to grow into caring, confident, and resilient adults.

We are proud of all the ways Lions serve. Yet we also know that Lions Quest Canada is one of our greatest legacies — a program that continues to carry the Lions name into schools and communities across Canada. With your support, we can ensure it remains strong, visible, and impactful for decades to come.

When allocating your Club's donations this year, please include Lions Quest Canada — together, we can create a positive and lasting impact on the lives of young Canadians, helping them to thrive academically, socially, and personally.

We kindly request your support in the following ways:

1. **Financial Contributions:** Donations will help cover the costs of developing program materials, training for educators, and implementation in schools. In most municipalities, funds raised from gaming/lotteries/bingo can be donated to Lions Quest Canada as we are a charitable organization.
2. **Step Up for Kids:** Join us and participate in our Step Up for Kids fundraising campaign this fall - sign up as individuals, form a team, organize an event. Check our website for more information.
3. **Volunteering and Advocacy:** Your club members can assist in promoting Lions Quest within the community, organizing fundraising events, or reaching out to your local school(s) to share information. Follow us on social media and share our messages.

We would be delighted to provide more detailed information about the Lions Quest programs and discuss how your club can be involved. It's often said that "it takes a village to raise a child" — our role at Lions Quest Canada is to help raise the "village". Thank you in advance for your thoughtful consideration of our request to support this award-winning initiative, one of Lions Clubs International's signature youth programs.

Michael Stanford, Chair
Board of Directors
(Please note our new mailing address!)
