Comfy Cases is a non profit organization of volunteers who sew colourful pillowcases for children in hospitals with cancer or other life changing illnesses. They are distributed to the Child Life Specialists in the hospitals and other organization supporting children in the community. There are local co-ordinators throughout the province. The siblings are not left out as they can receive pillowcases also.

POGO (Pediatric Oncology Group of Ontario) has a satellite clinic at Grand River Hospital in Kitchener providing for some patients to have services closer to home allowing better support for the family relatives and friends.

POGO Interlink Nursing Program provides supportive care to children with cancer and their families, from hospital settings to homes, communities, and schools. As important members of the primary care team, POGO Interlink Nurses deliver patient and family-centered care throughout the cancer journey. POGO Interlink Nurses are embedded in all five tertiary hospitals which have specialized childhood cancer programs in Ontario, and two [POGO Satellite Clinics](#).

A serious illness changes lives and so does camp. So does camp. Since 1983, Campfire Circle has delivered healing through happiness to kids with cancer or serious illness and their families. Through our in hospital, community, and overnight camp programs, we create opportunities for children to build friendships and social skills, develop self-confidence and resiliency, and improve their overall well-being. By providing play-based experiences, we empower kids to take back their childhood, regardless of their medical diagnosis.
